

# SOUL EATER

35

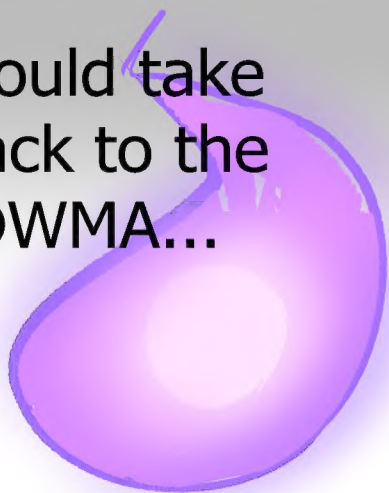

**Mother, there  
is no other**

That  
witch's  
soul

I should take  
it back to the  
DWMA...

Destroying her own soul  
to have the last laugh

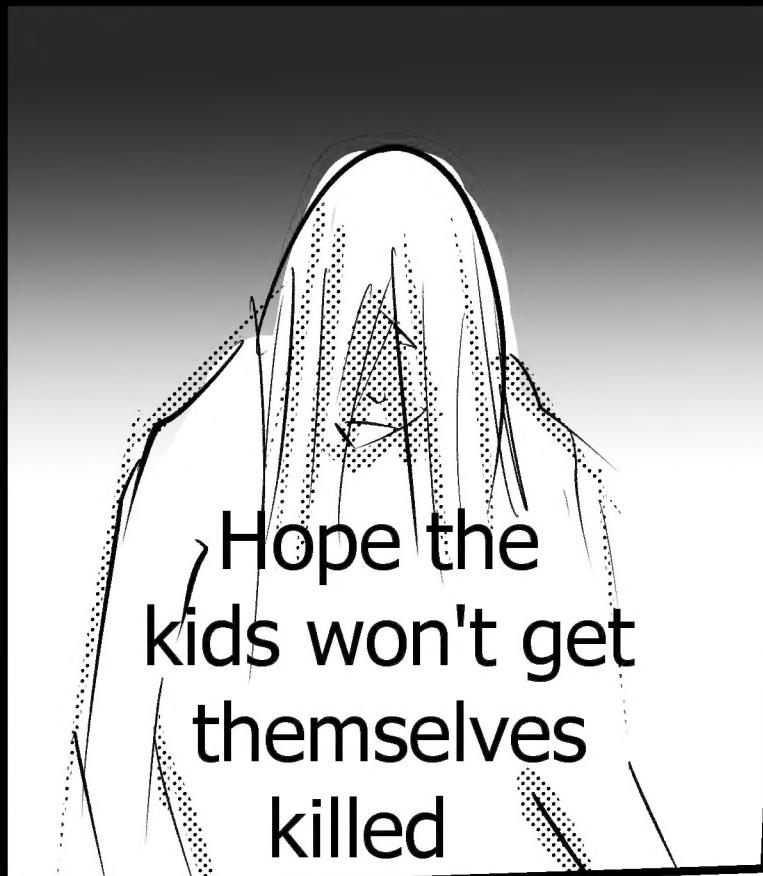

It might have worked

can't move and-

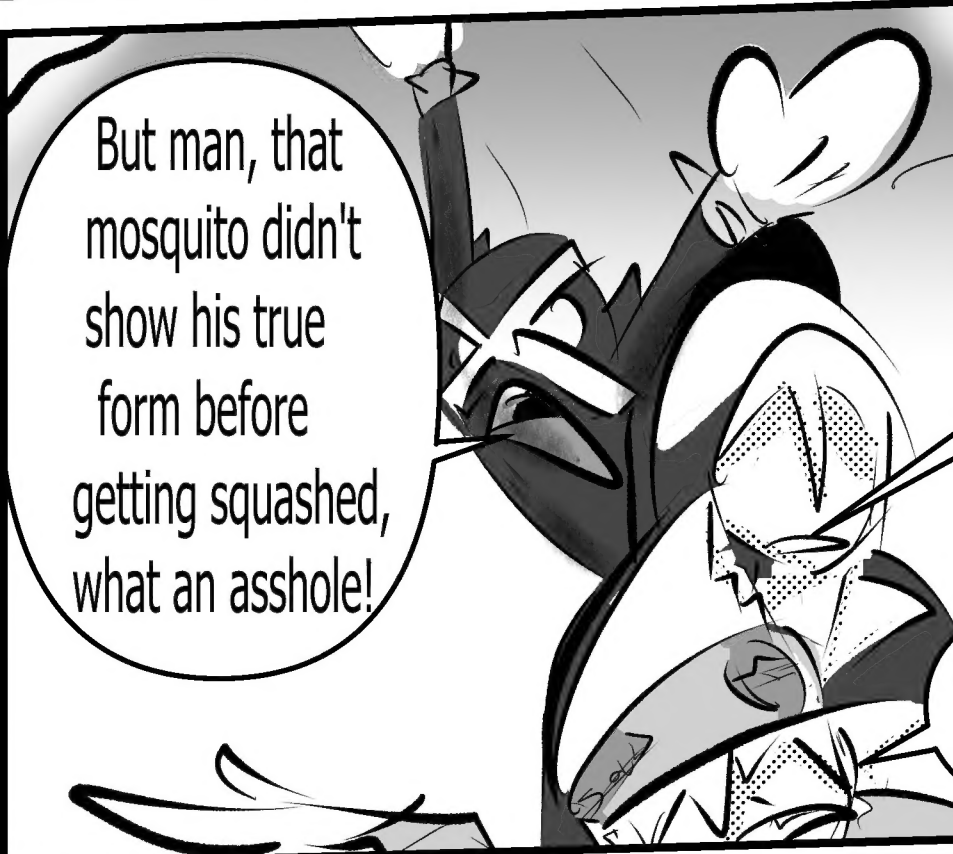

Hope the  
kids won't get  
themselves  
killed

while I'm unconscious-

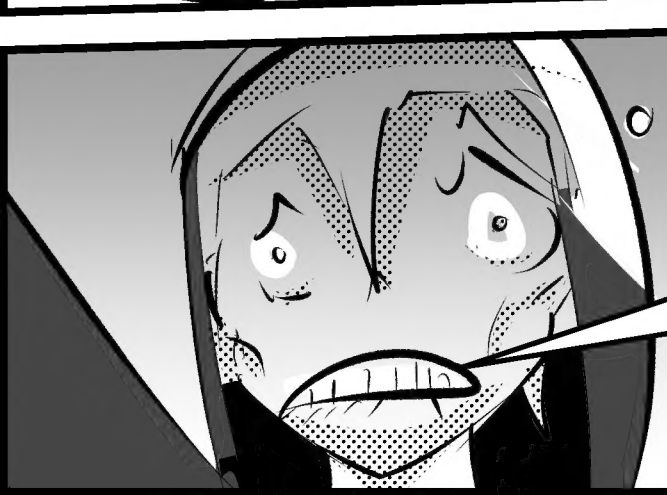

\*tvd\*

But man, that  
mosquito didn't  
show his true  
form before  
getting squashed,  
what an asshole!

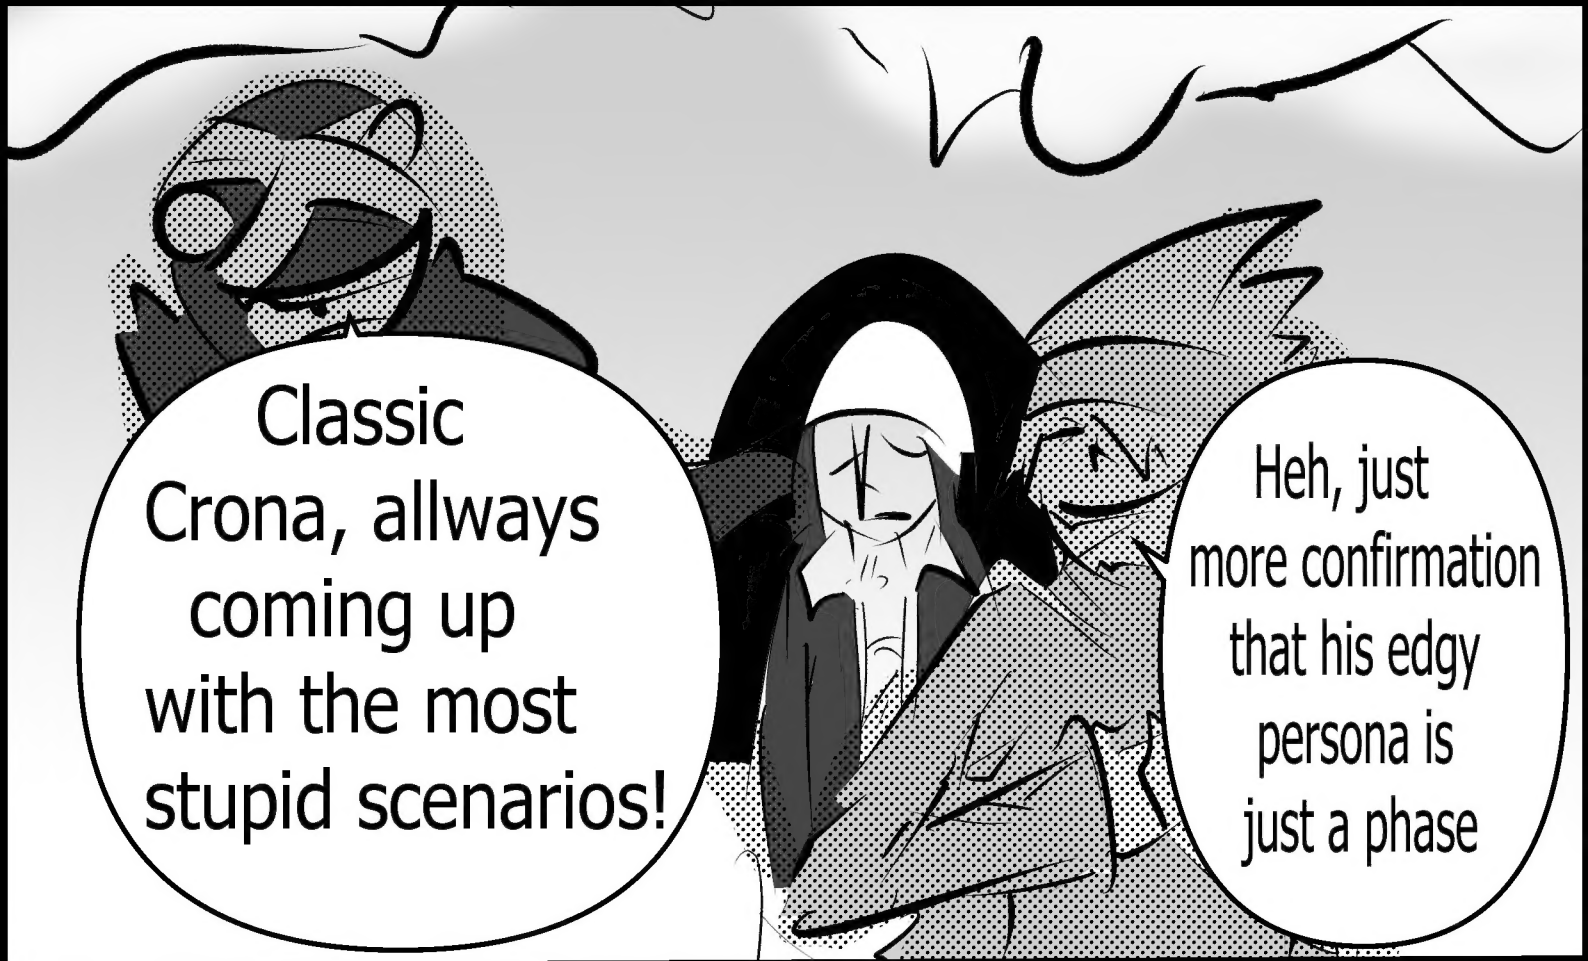

We wouldn't have  
survived if he did,  
so maybe it's for  
the best...

Why, you could  
have blown him up  
anytime, right?

Yeah, but what if  
800 years ago he was  
still a toddler: I can't  
even deal with the  
image of exploding  
a literall baby,  
no mater how evil!

Classic  
Crona, allways  
coming up  
with the most  
stupid scenarios!

Heh, just  
more confirmation  
that his edgy  
persona is  
just a phase

Haha, yeah, how funny-

Like many witch-aura's getting released...

I can feel it

Was that what caused all the noise? Is  
this just the aftershock of something?...

Soul,  
transform,  
quick!

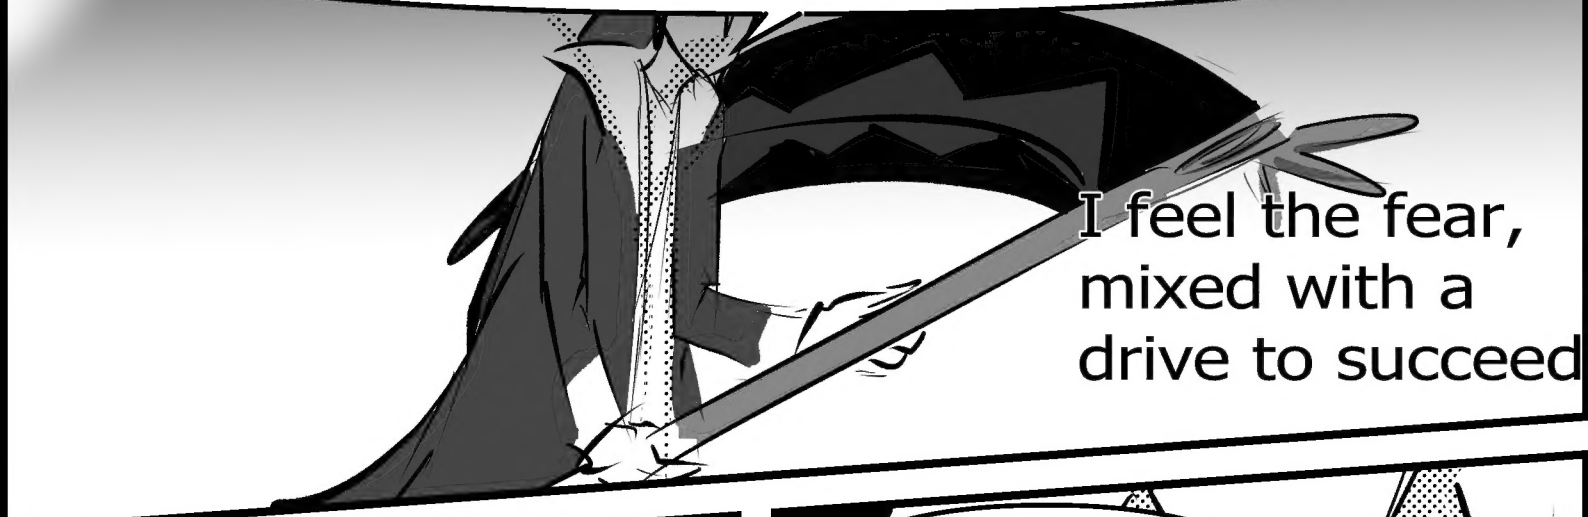

huh?

Just take me  
you pussy

No, I think  
a witch might  
be nearby

And we can't get ambushed again

I feel the fear,  
mixed with a  
drive to succeed

I sense the same from Soul...

Let's hope this is  
enough for resonance...

Hey relax man,  
if we survived  
till now...

what can take us down now?

Kurma... She sounded worried

I-Is e-everything-

How do I tell her...

Haha, oh hi Zalte

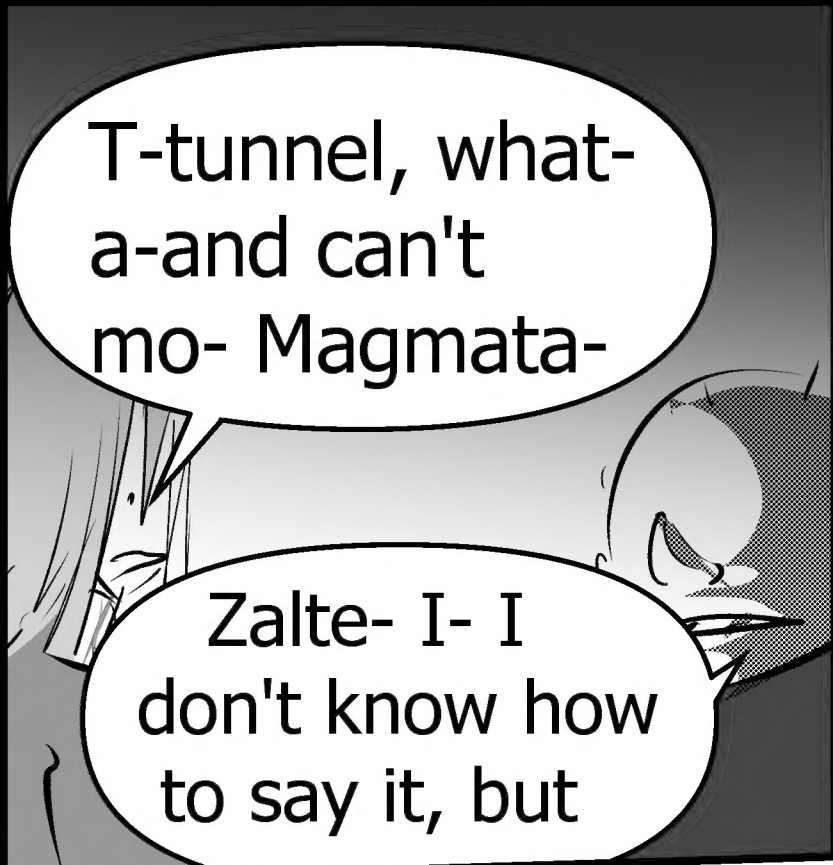

I-is everything alright?

Not exactly...

We need to flee, get the hostage and go to the emergency tunel

\*sigh\*

T-tunnel, what-  
a-and can't  
mo- Magmata-

Zalte- I- I  
don't know how  
to say it, but

Your mother  
was just slain

Zalte, I...

I- I'll get the  
prisoner...

Good... I'll  
try to buy  
us some time

I'm sorry  
my dear...

I shouldn't  
have roped you  
into this, maybe  
at least you can  
escape

So I'm gonna fight with all my  
might to make that happen!

No mater what!

Maul-maul-wurf-wurf-

That wavelength

Even I can feel  
it, it resonates  
with mine-

But we only  
want to save  
Maka... unless-

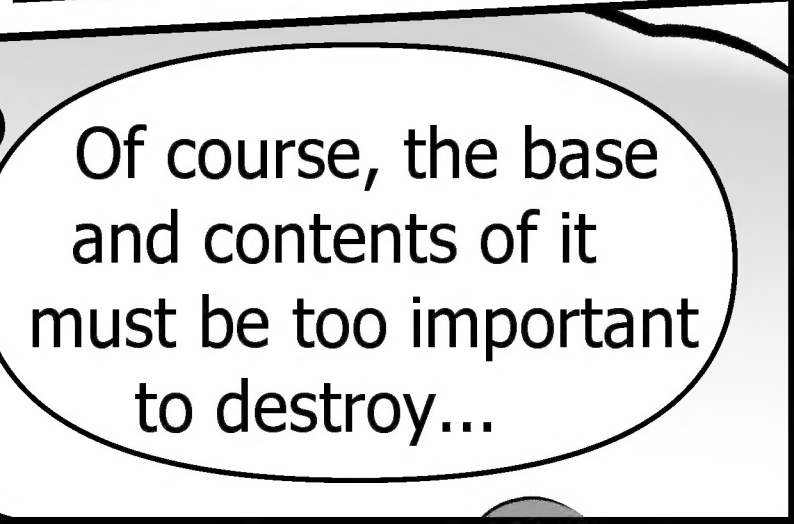

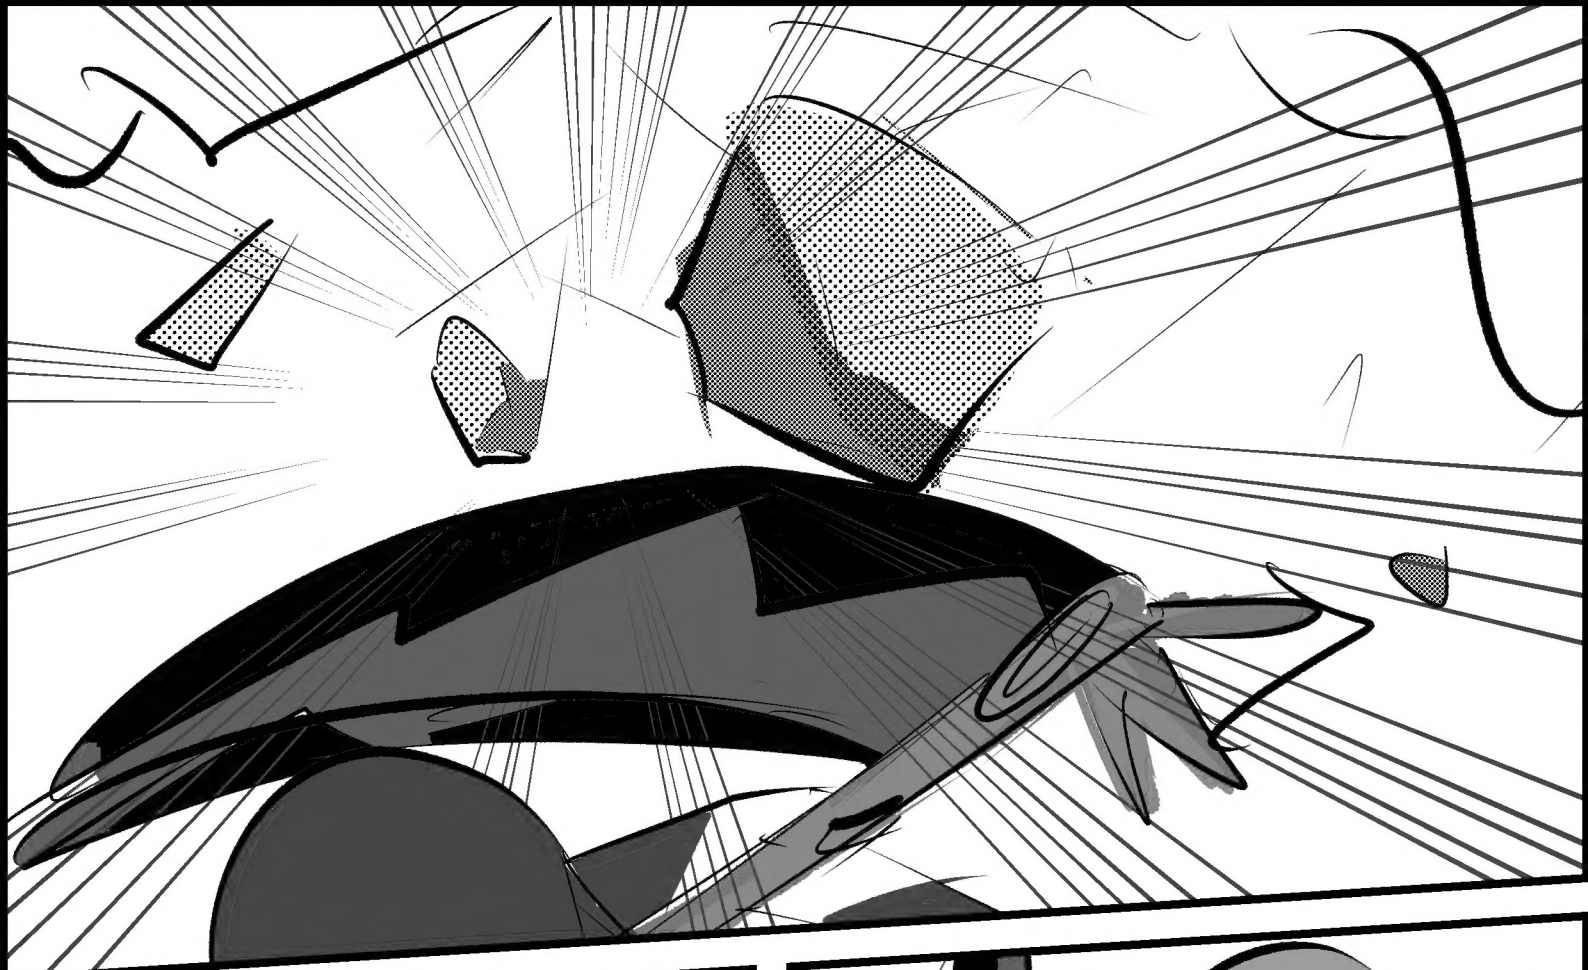

Is my hate as strong  
as the wickedness of  
that witch, nō...-

Don't  
panic  
Crona!

Th-the earth  
is shaking!

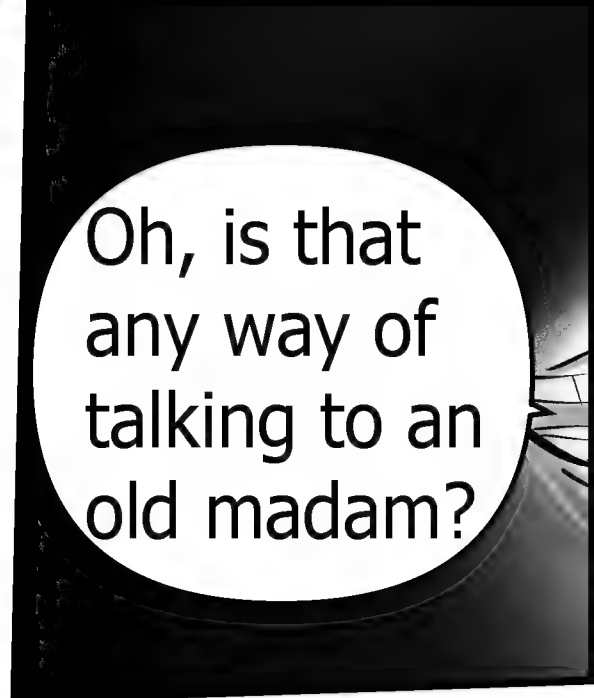

We got  
this

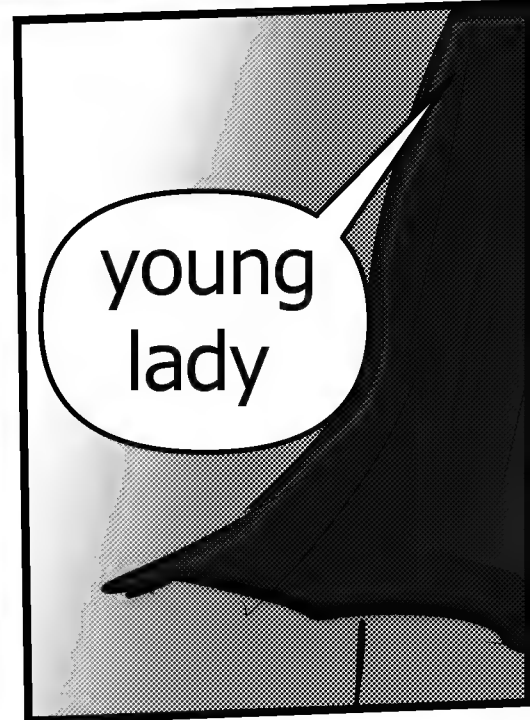

Show  
yourself  
monster!

Oh, is that  
any way of  
talking to an  
old madam?

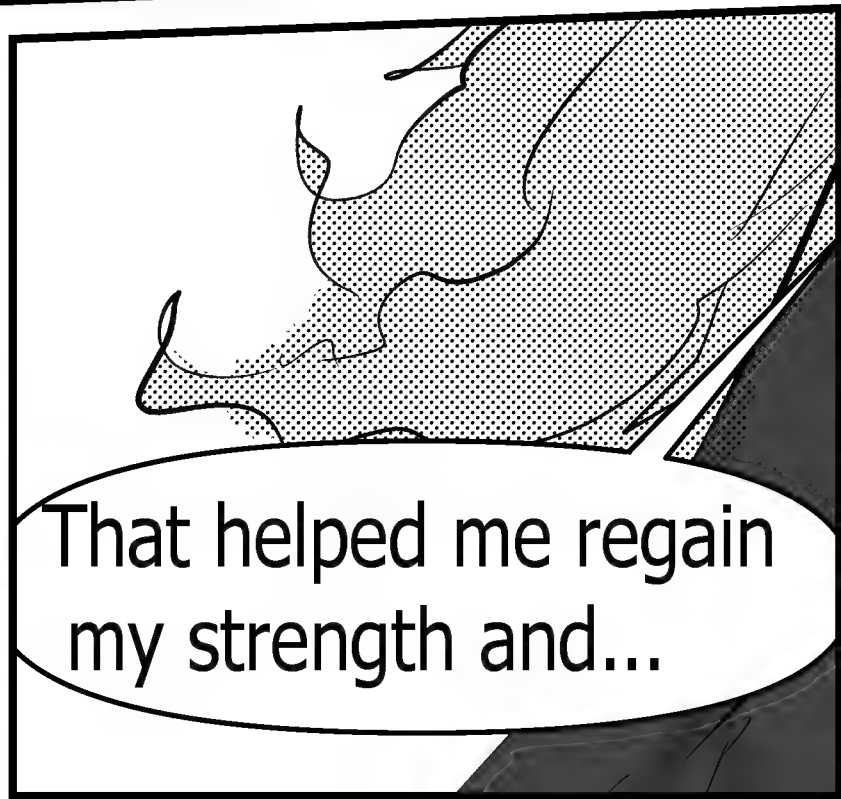

Or should  
I say...

young  
lady

You see, that  
gnatly gentleman  
showed me a trick

That helped me regain  
my strength and...

Beauty of 400 years before!

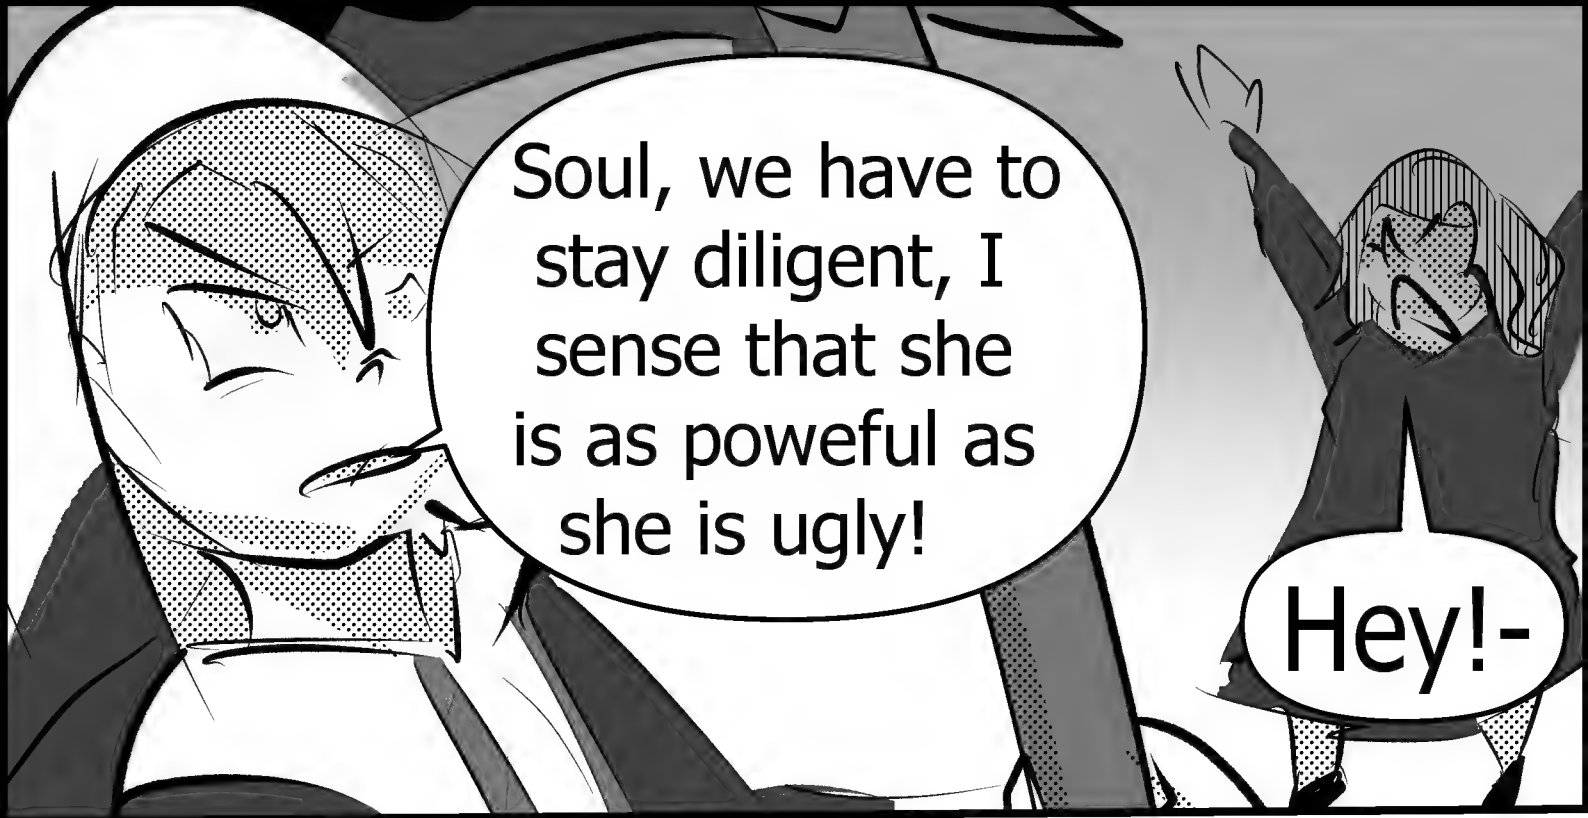

Should have  
went back an  
extra 400  
or million  
years, guip!

Sadly you won't  
be able to admire  
my wonderful  
charm for long

Cause this  
is the end!

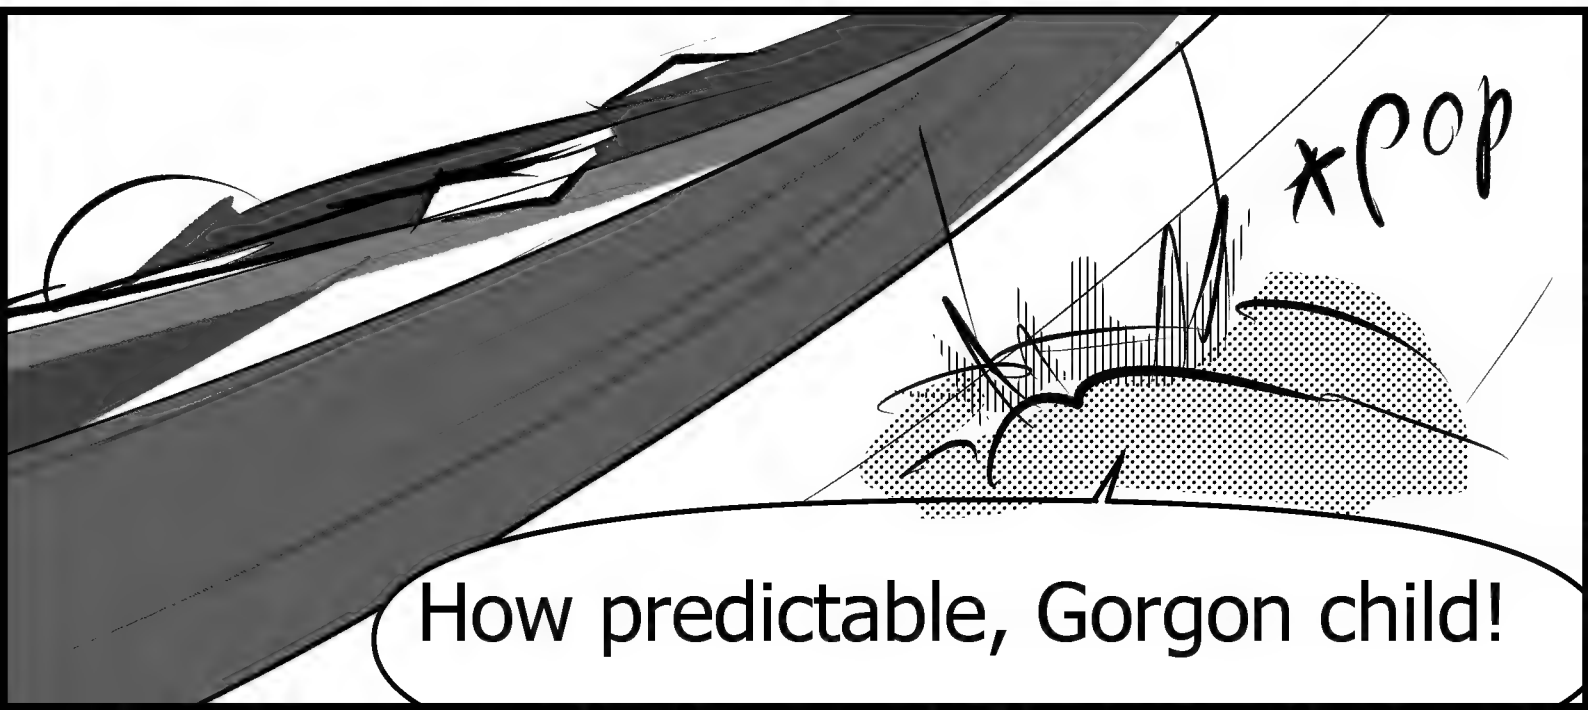

Soul, we have to stay diligent, I sense that she is as powerful as she is ugly!

Hey!-

Oh, an absurd taunt to distract

How predictable, Gorgon child!

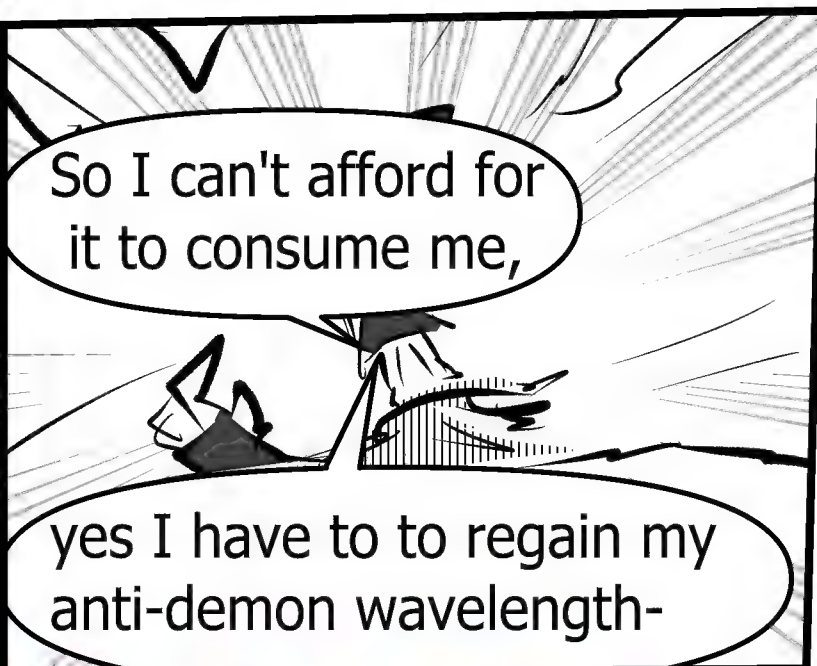

Don't let that disgusting fat hag get under your skin!

I-I know

Witches are experts in seeding madness

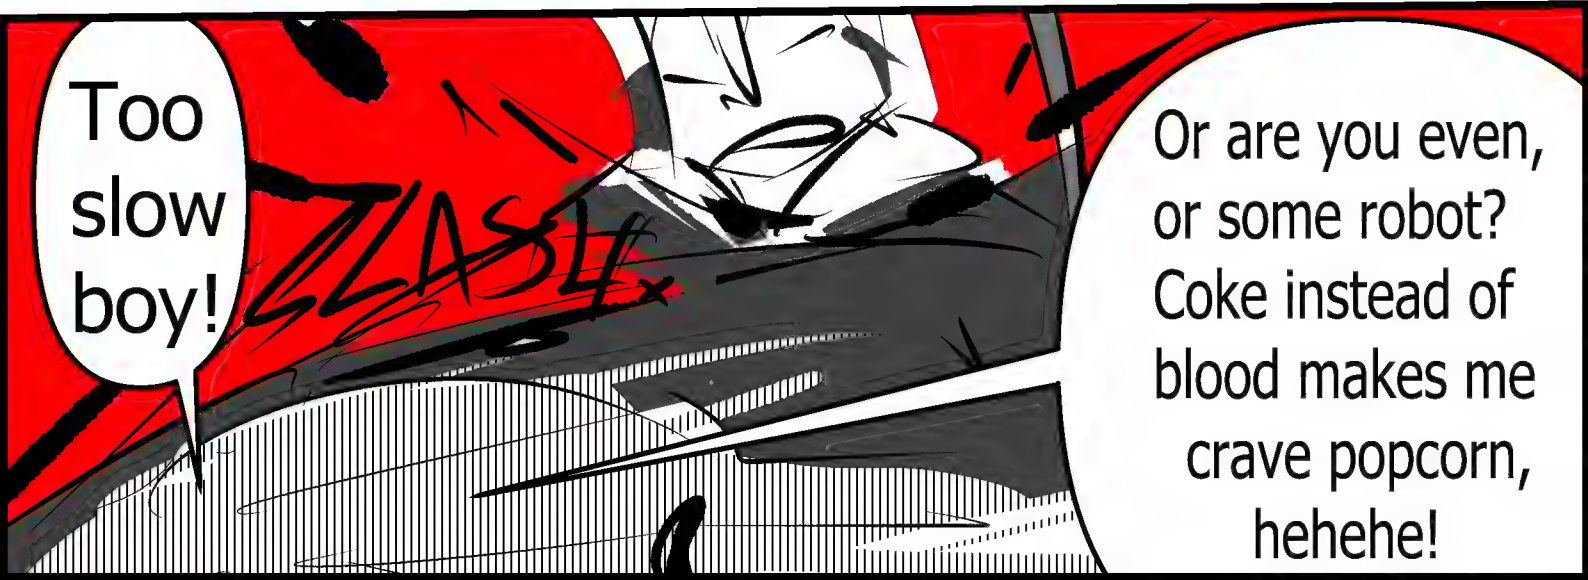

So I can't afford for it to consume me,

yes I have to to regain my anti-demon wavelength-

Behind you!

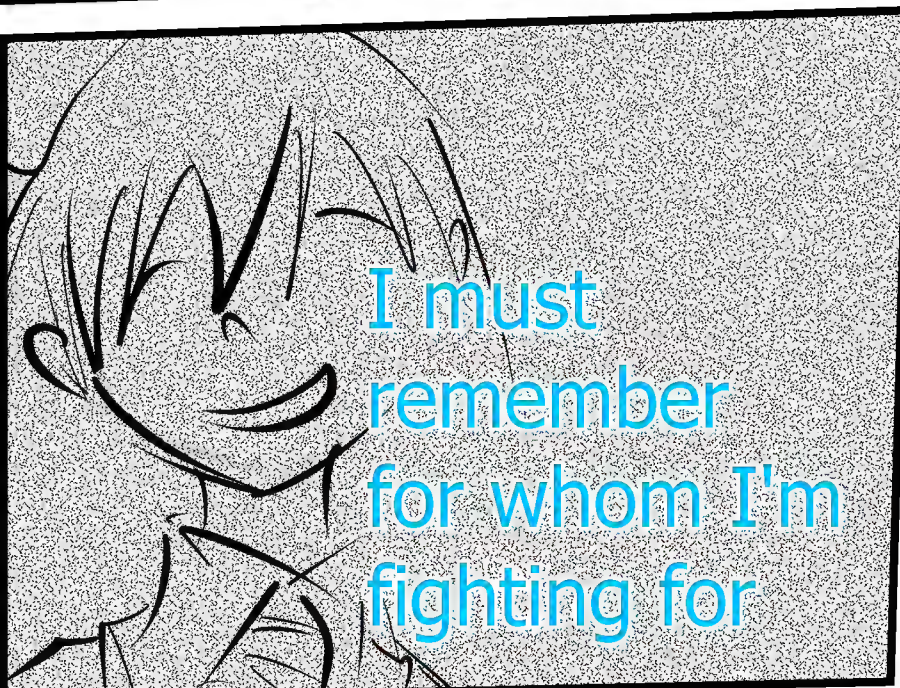

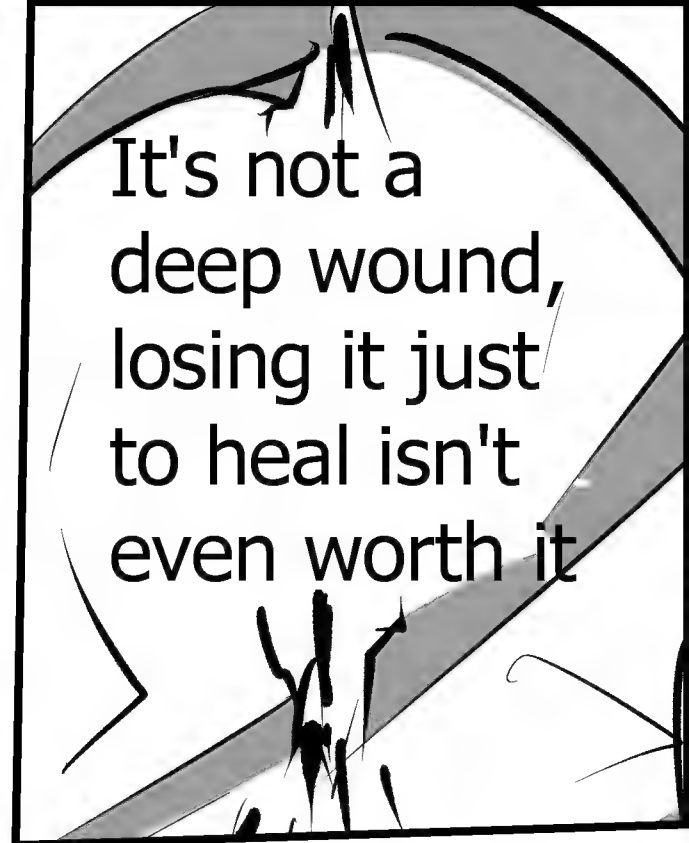

Right

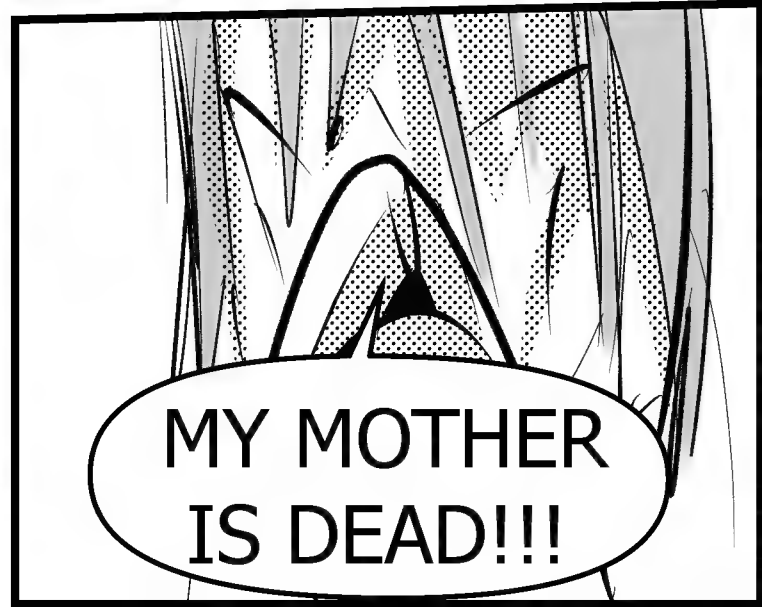

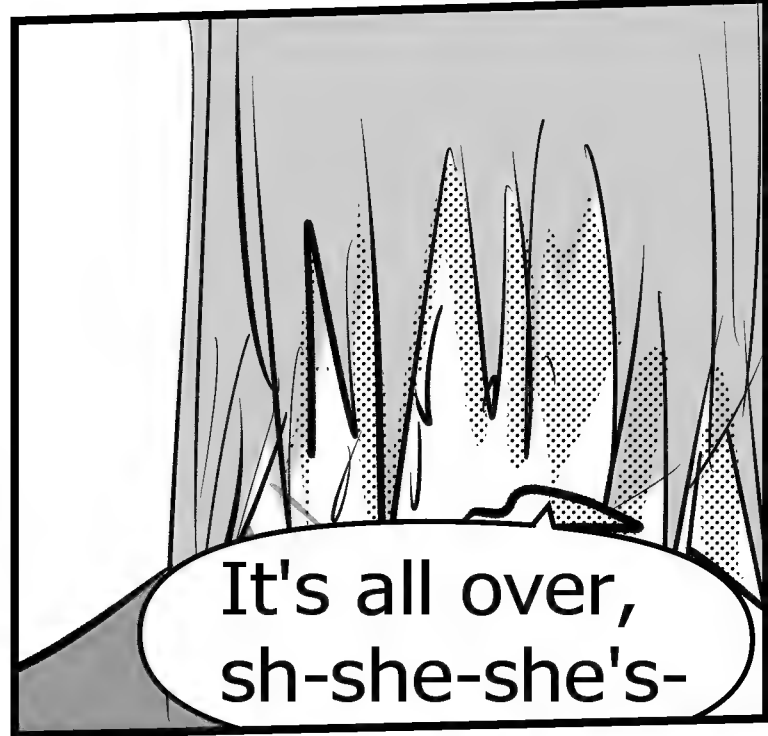

Too slow boy!

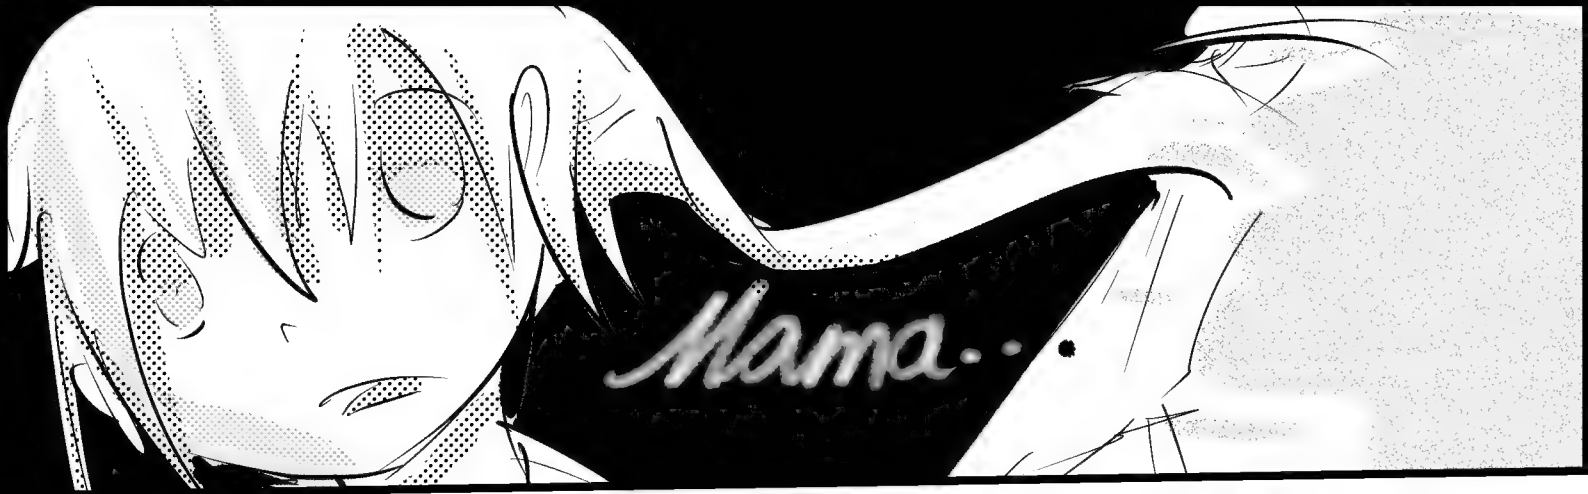

Or are you even, or some robot? Coke instead of blood makes me crave popcorn, hehehe!

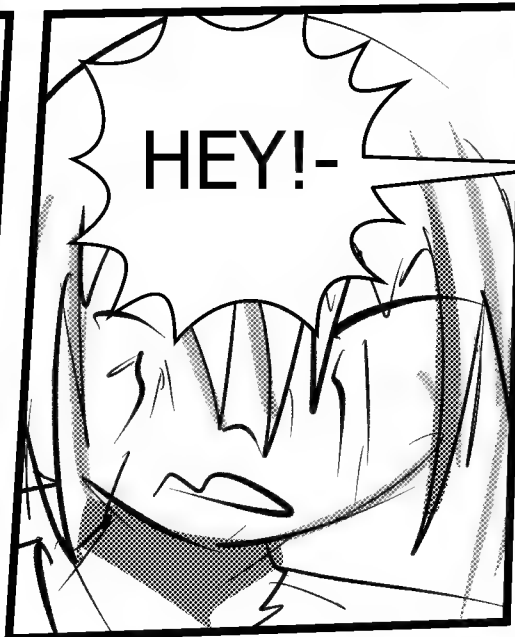

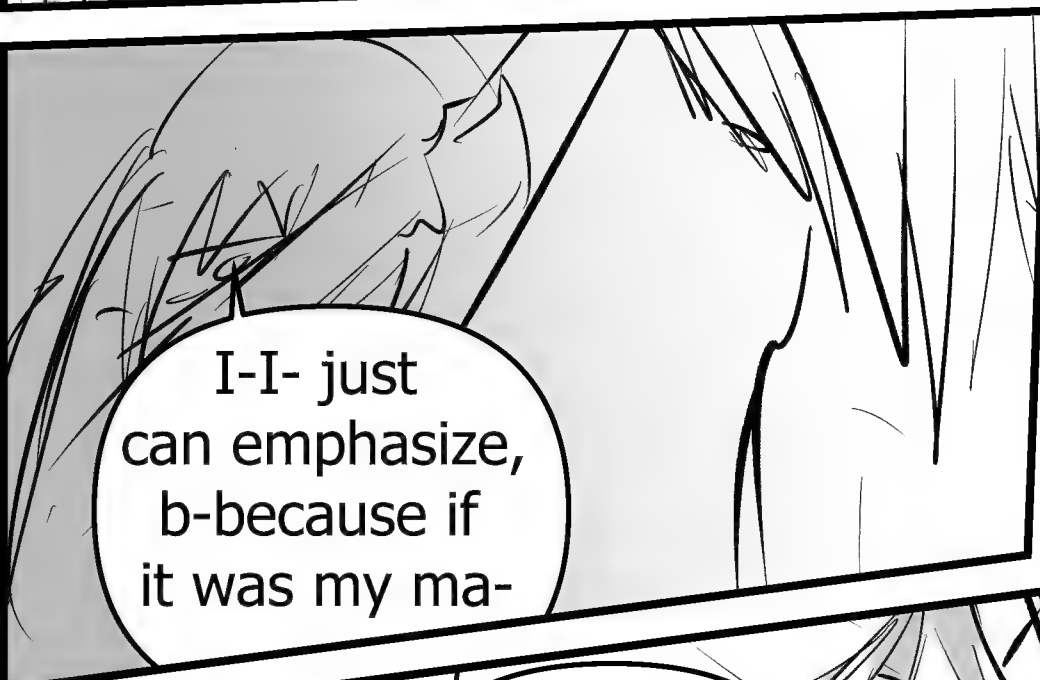

H-hey-

HEY!-

WHY  
ARE YOU  
CRYING?!?

I-I- just  
can emphasize,  
b-because if  
it was my ma-

NO  
YOU  
CANT'!

Because  
I don't  
feel sad!

I'm just as  
cruel as her!

My own mother died and I felt nothing

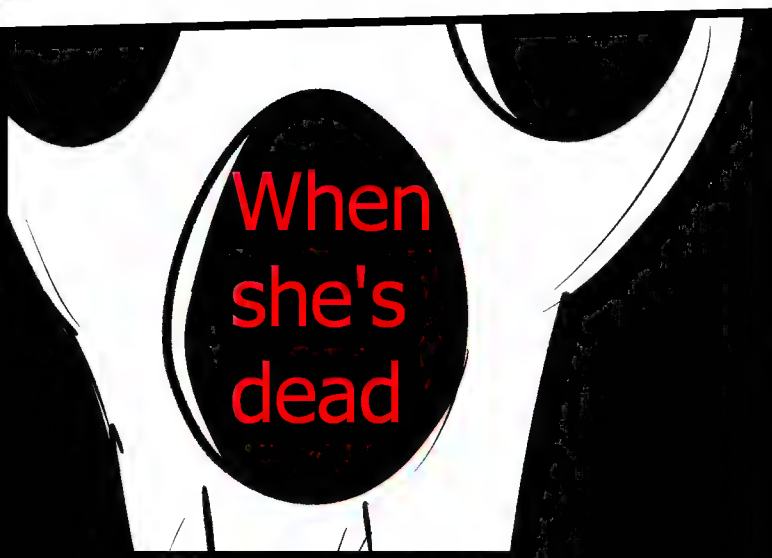

Not even?-

Nothing- no, joy, yes joy!

She allways hated me, no mater how I tried to make her like me

but at the end, it is now when I'm just like her!

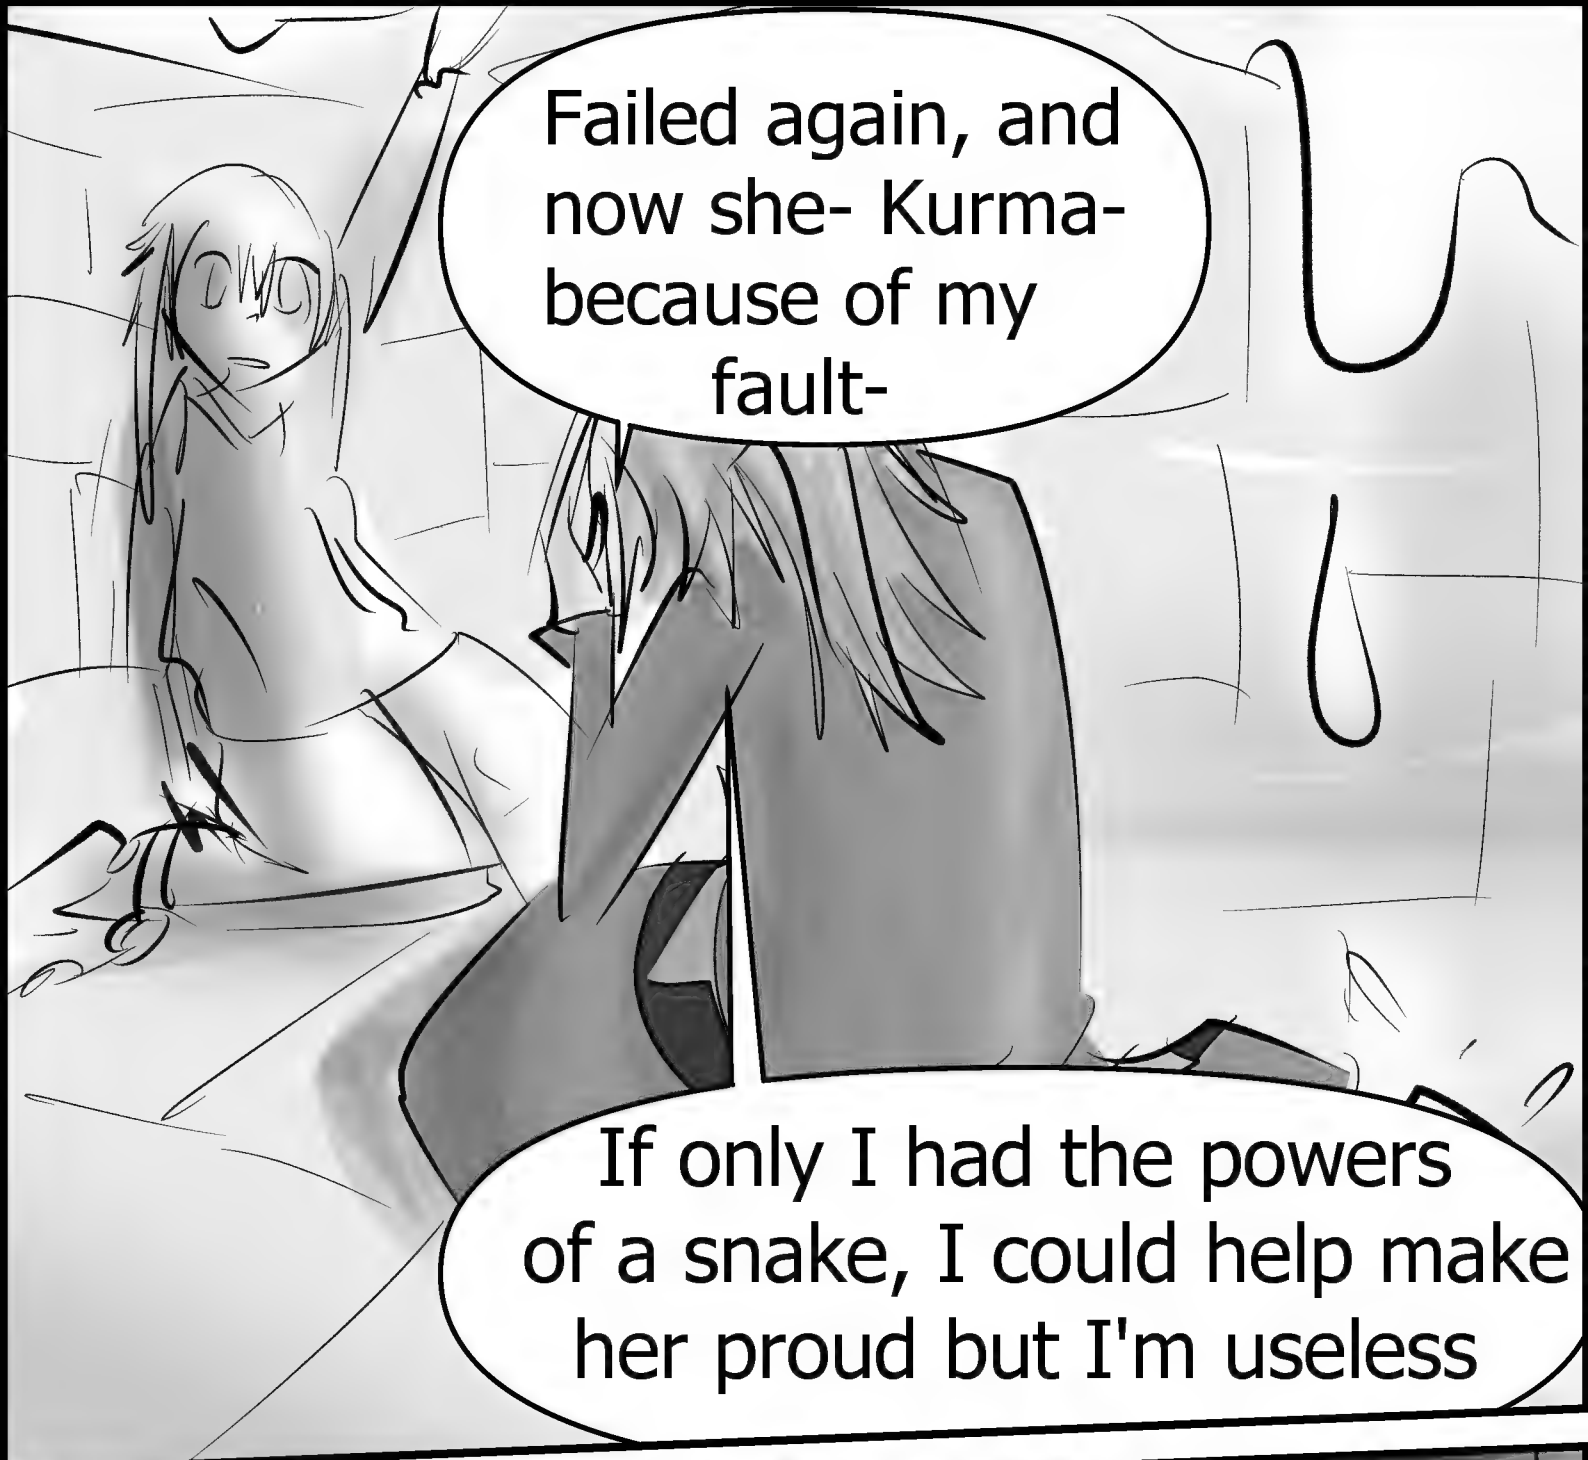

When she's dead

As cruel of a daughter as she was a mother

Failed again, and  
now she- Kurma-  
because of my  
fault-

If only I had the powers  
of a snake, I could help make  
her proud but I'm useless

toothles, the  
only venom

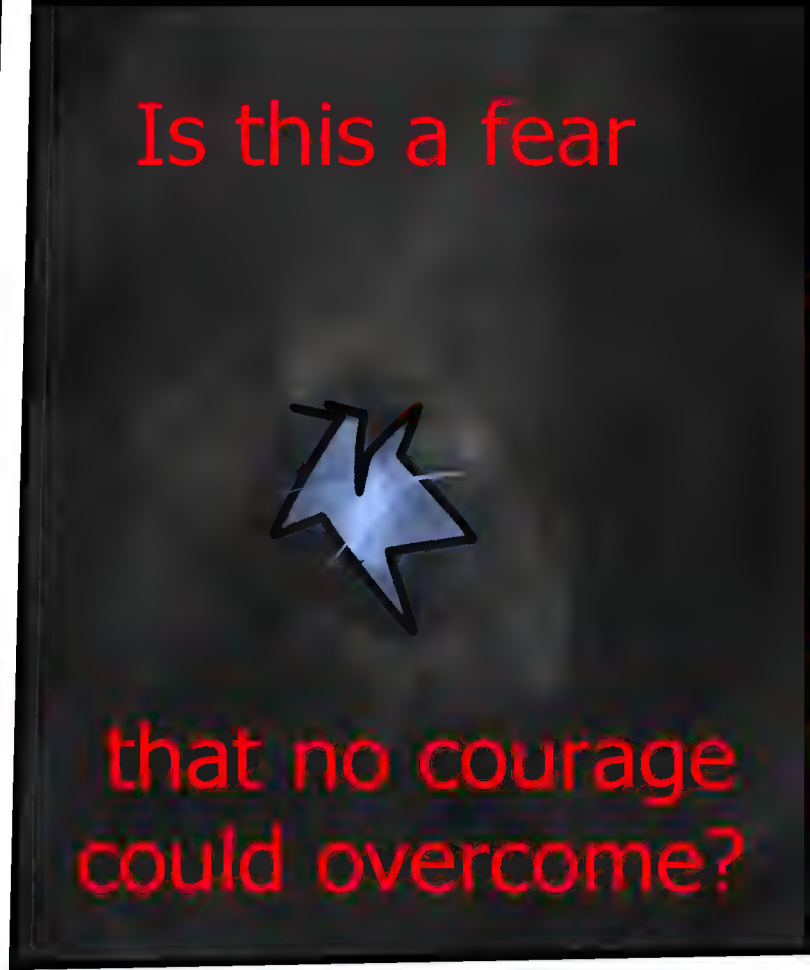

I spit poisons  
myself

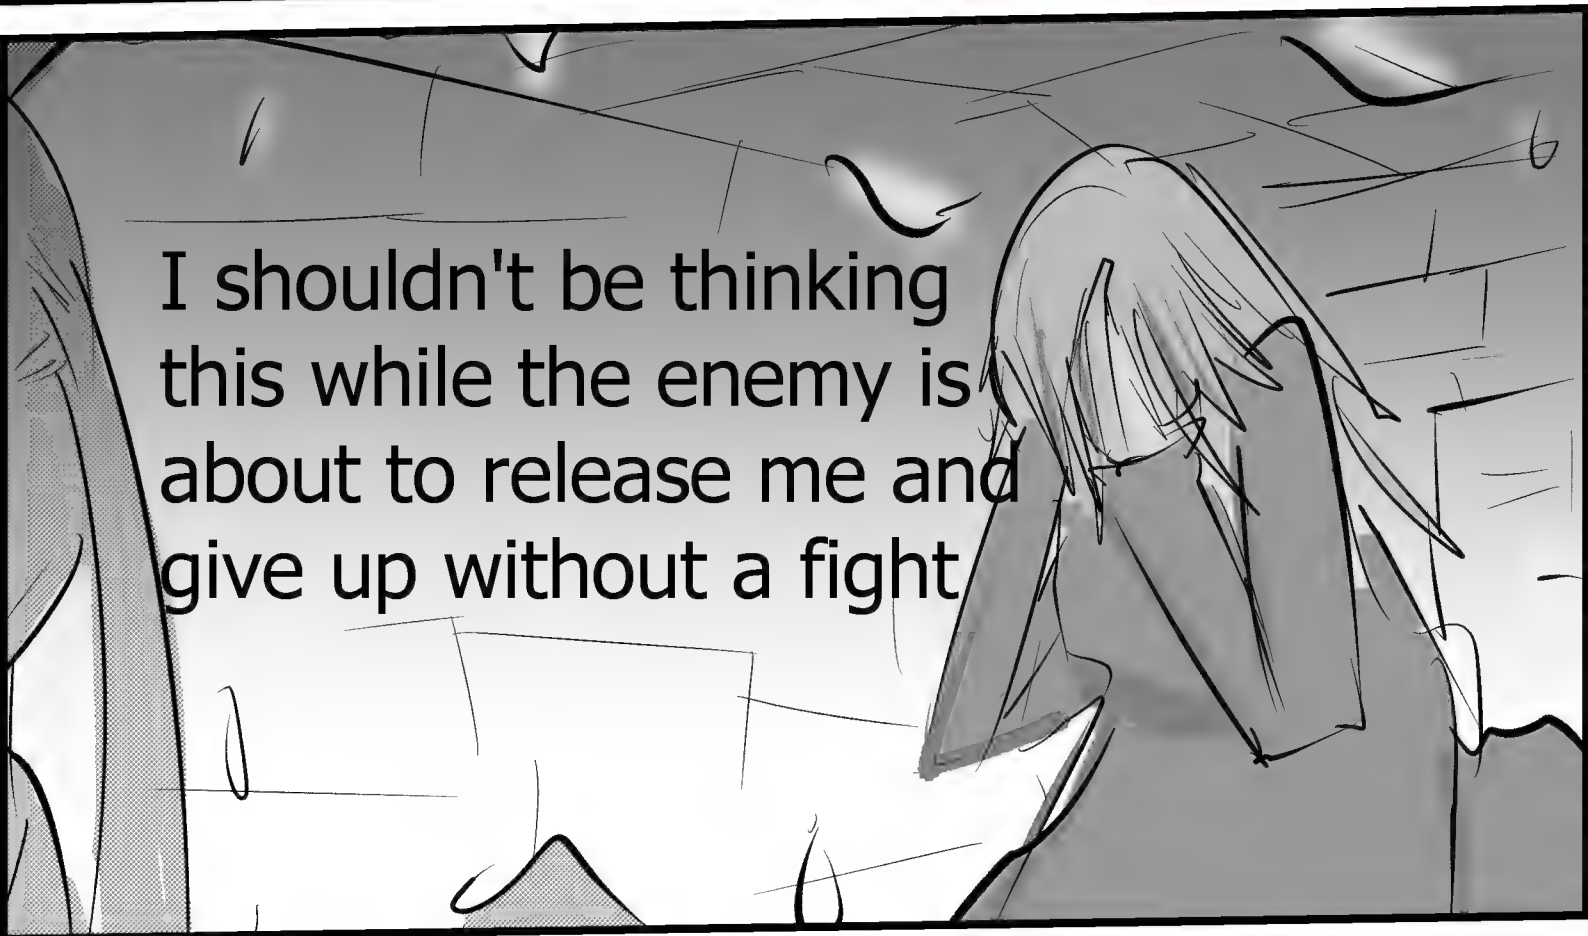

I'm a mockery  
of a witch, so  
after I release  
you, just kill me

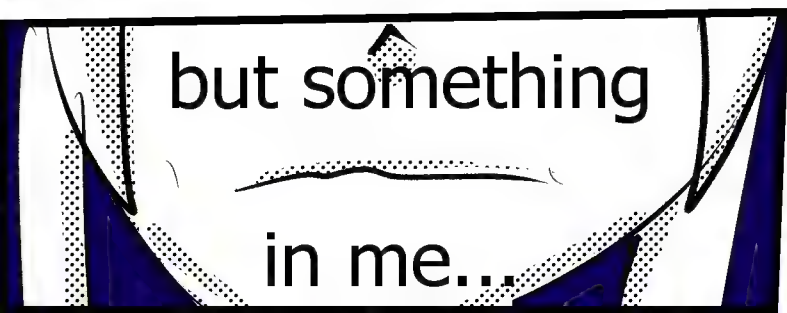

Too have such a  
horrible mother  
that her death would  
bring you joy?

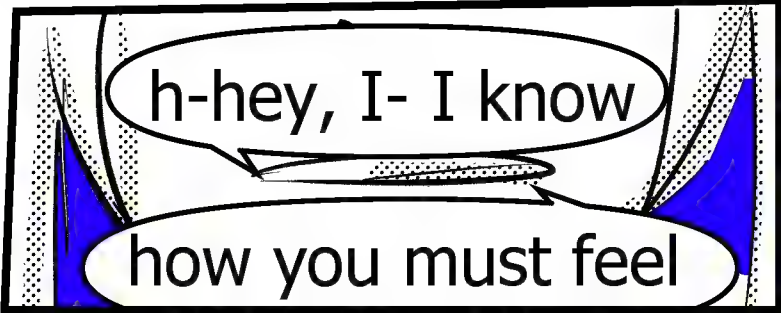

Is this a fear  
that no courage  
could overcome?

I shouldn't be thinking  
this while the enemy is  
about to release me and  
give up without a fight

but something  
in me...

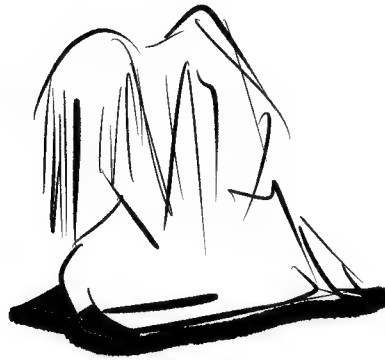

h-hey, I- I know

how you must feel

The pain  
and shame  
and  
emptiness

that you  
can't deal  
with it

But you said  
somebody helped  
you in your  
life and she  
gave you compassion

Enough that  
you can see the true  
horror of what happend  
and of what you lack

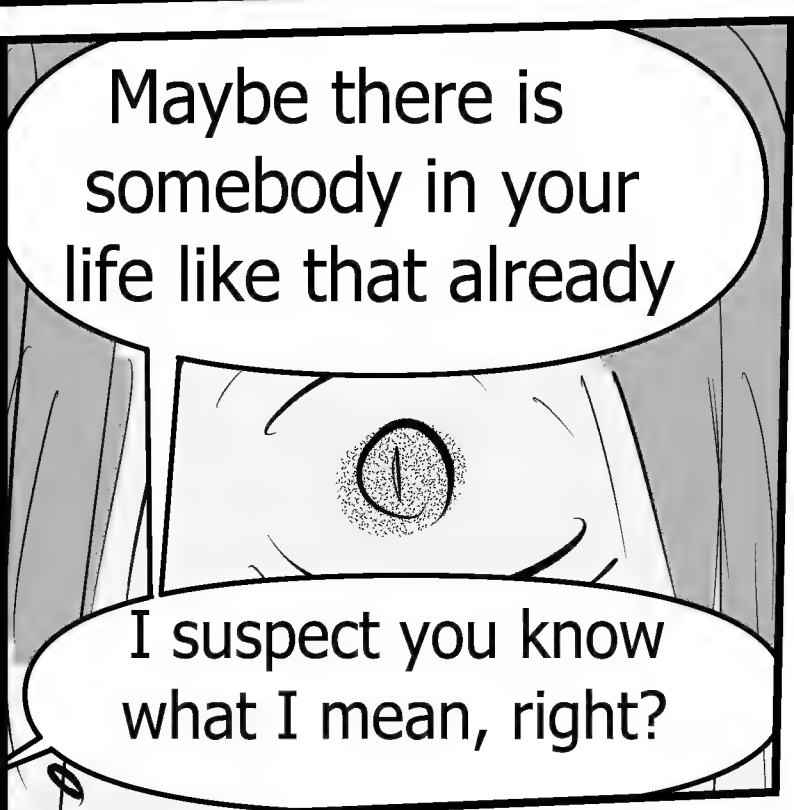

I seen those  
without parental  
warmth find it...

Sometimes I  
feel like I lack  
it too, yet others  
remind me that  
I'm still loved

They may  
not reverse  
the scars

yet make  
them not matter  
at all

Maybe there is  
somebody in your  
life like that already

I suspect you know  
what I mean, right?

huh?

Look Medusa!  
My child is a snake  
witch too!

Transform and  
show her Zalte!

Hahaha!

M-mum the  
lady is hurting me!

Yellow marks!

She's a grass-snake!

They aren't  
even venomous!  
What a pathetic  
animal!

What a humiliation!

I knew I shouldn't  
have sullied my  
bloodline with that  
wannabe biker...

Scram, I  
don't need  
you

M-mum

Hey don't  
be sad kid!

A real witch  
makes others  
cry!

M-maybe  
if I don't  
have the  
lines...

Mother will  
love me again

Oh dear-  
I hope the  
cuts aren't  
that deep...

please  
my child...

survive...

A ringed-snake  
wears her crown  
proudly!

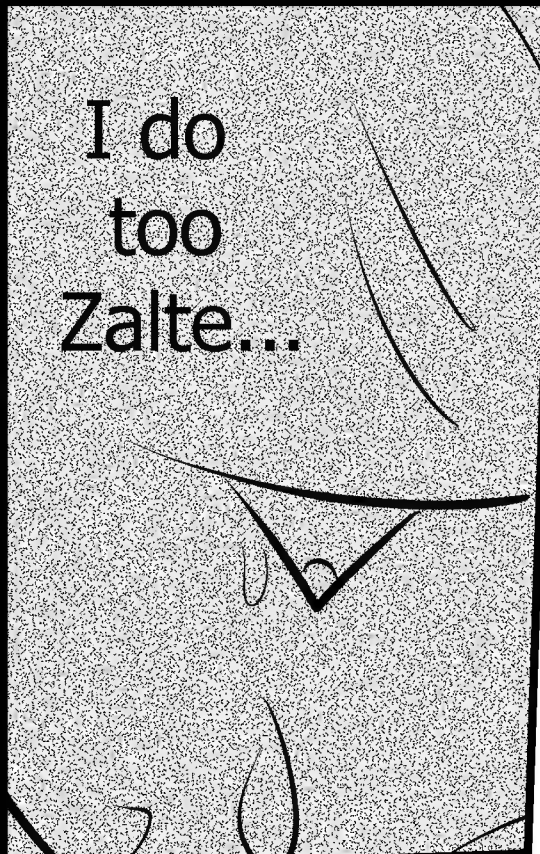

Allways  
remember  
that

Th-thank you  
Miss Kurma-  
I-I wish you  
could be my  
m-m-mother...

Haha, a young  
lady like me is  
more of a cool  
aunt type, but-

I do  
too  
Zalte...

I-

do have-

Somebody who  
loves me like a  
parent should-  
No, is the mother  
I never had!

and I  
could  
lose her  
forever  
now!

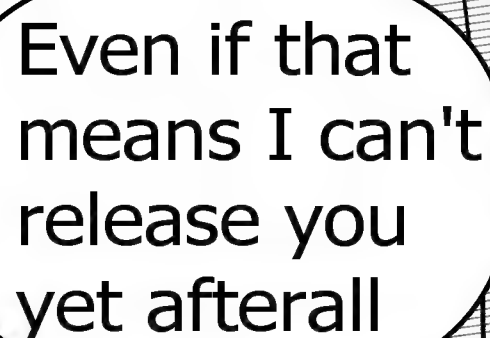

But I  
won't  
let it  
happen

Th-thank  
you, I will  
allways be  
gratefull...

Hey!  
Wait!

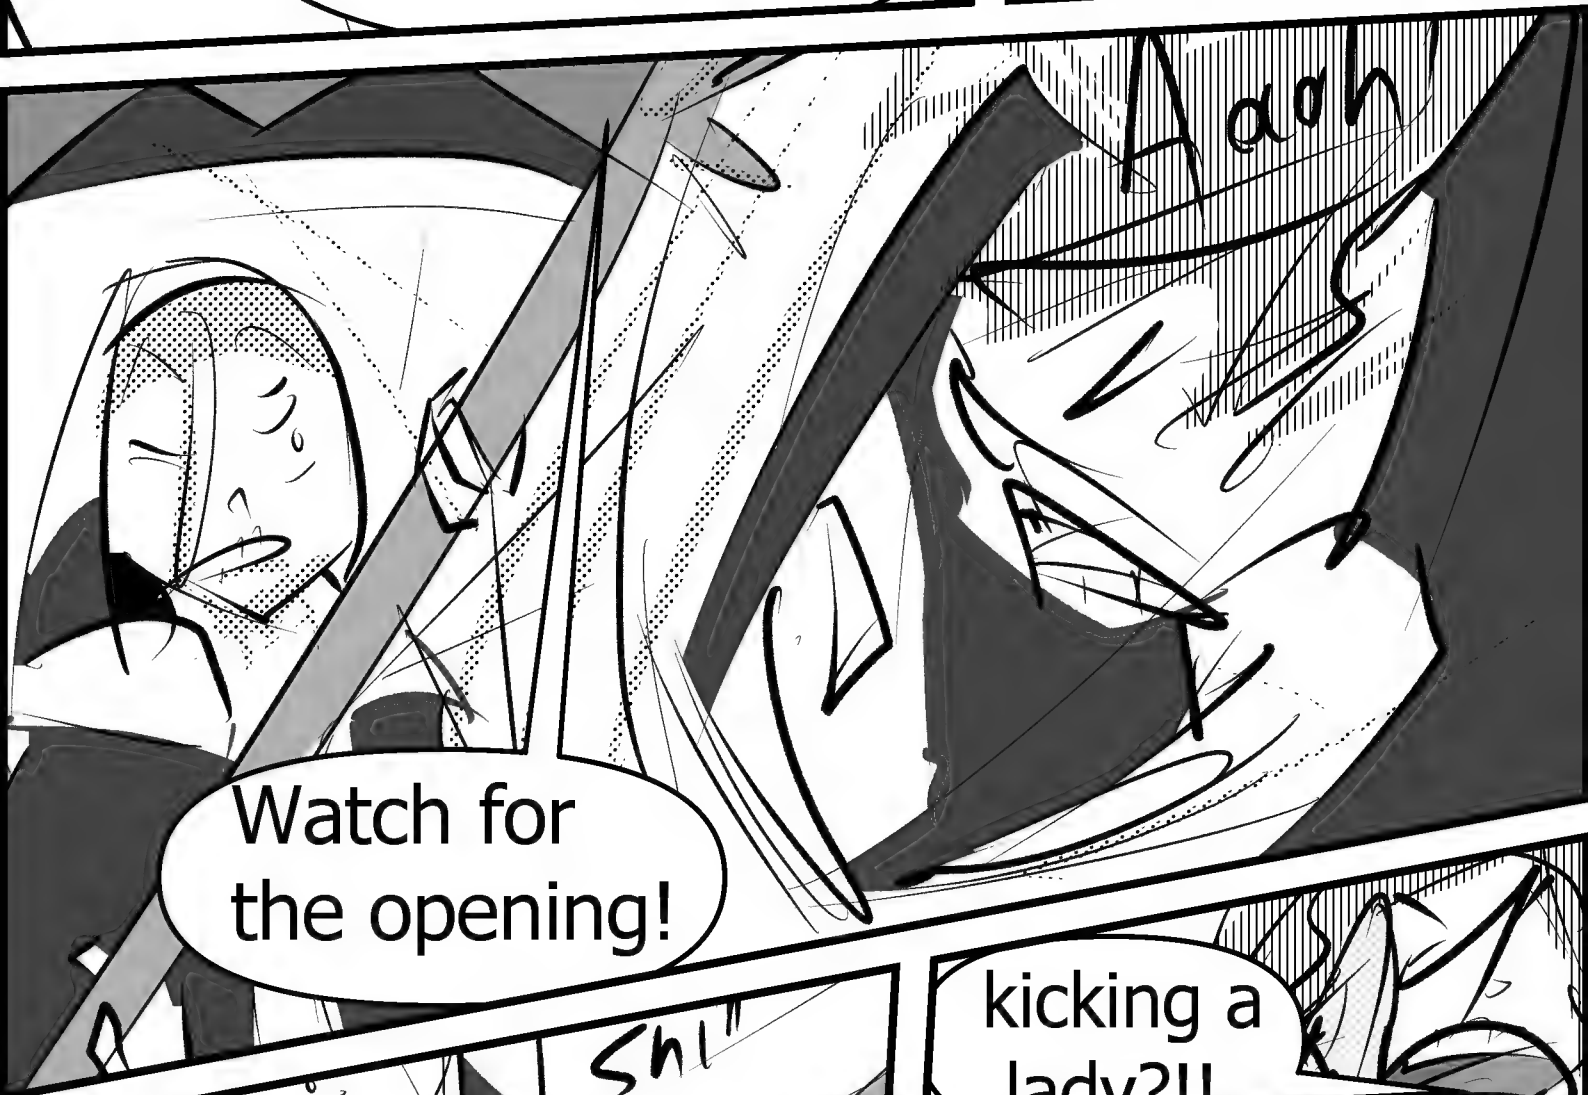

Even if that  
means I can't  
release you  
yet afterall

That's what I  
get for sympathising  
with the enemy!

I guess  
I can't  
complain  
when  
Crona  
does it...

I only hope  
he is ok

Watch for  
the opening!

kicking a  
lady?!!

I'm trying

How dare you!

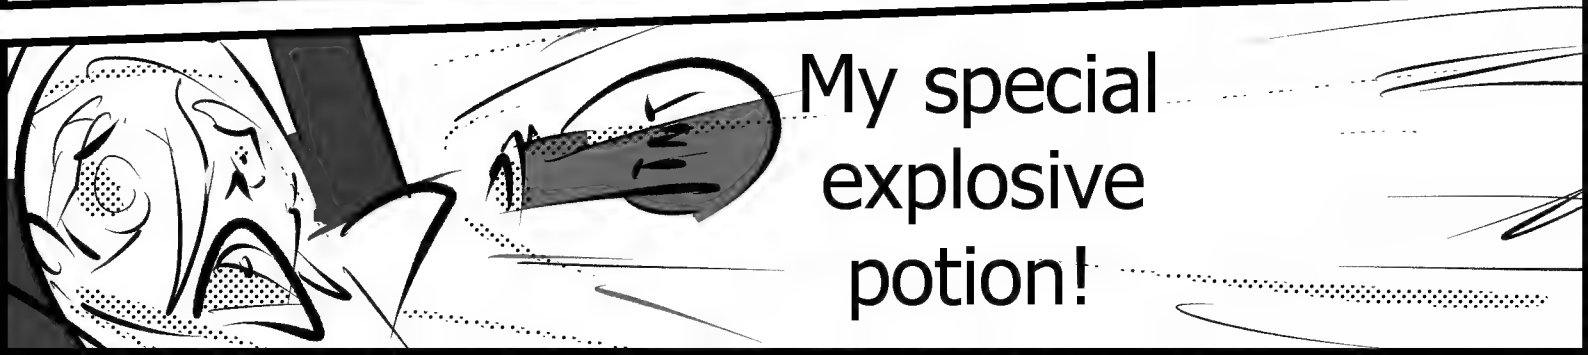

XISURE!

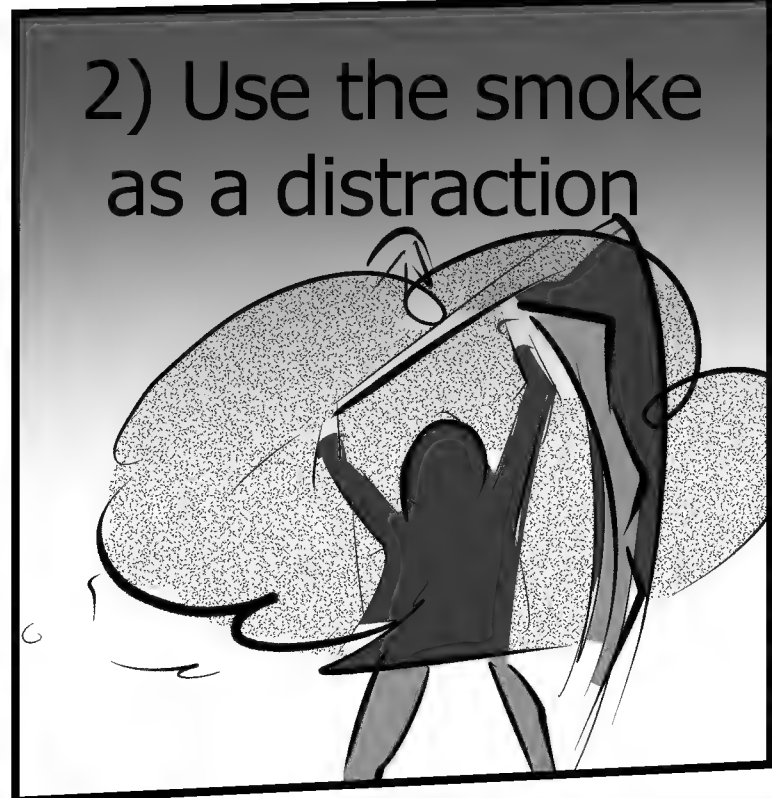

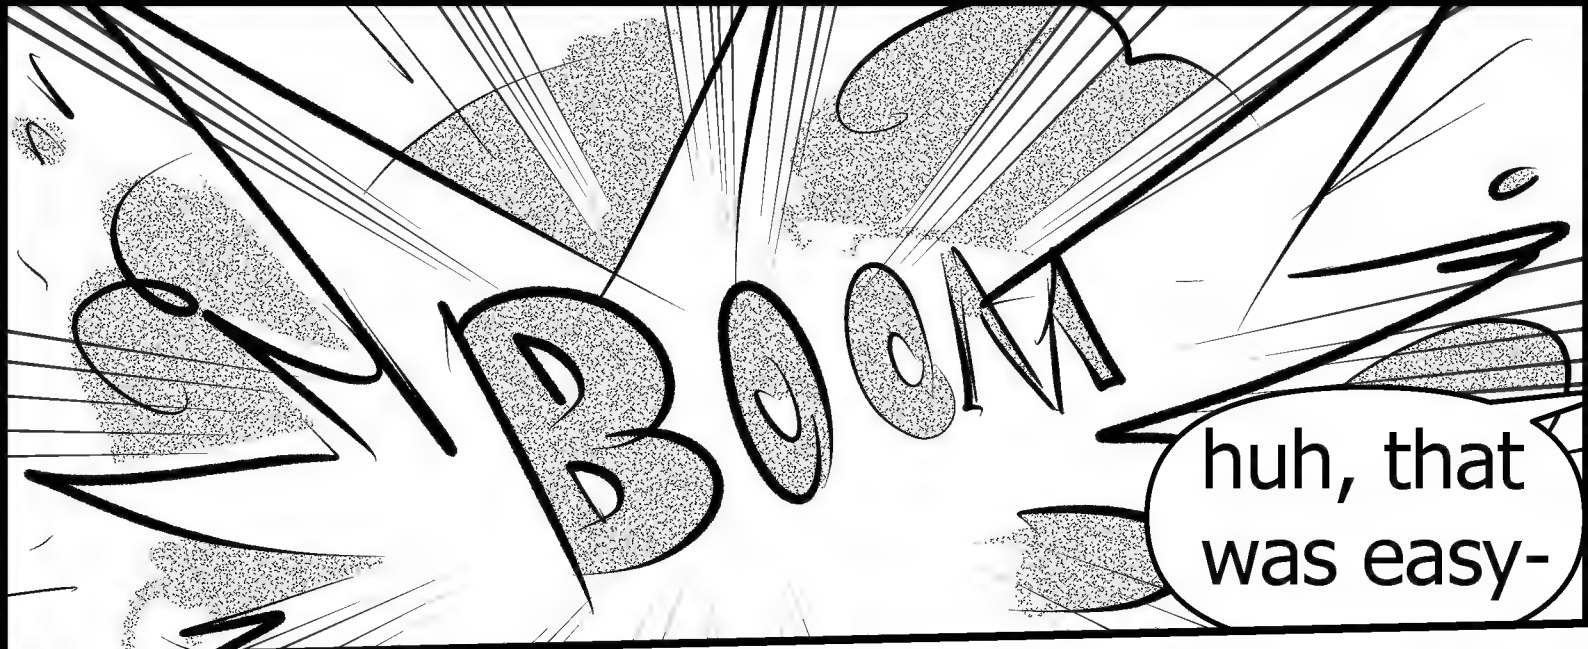

W-woah!

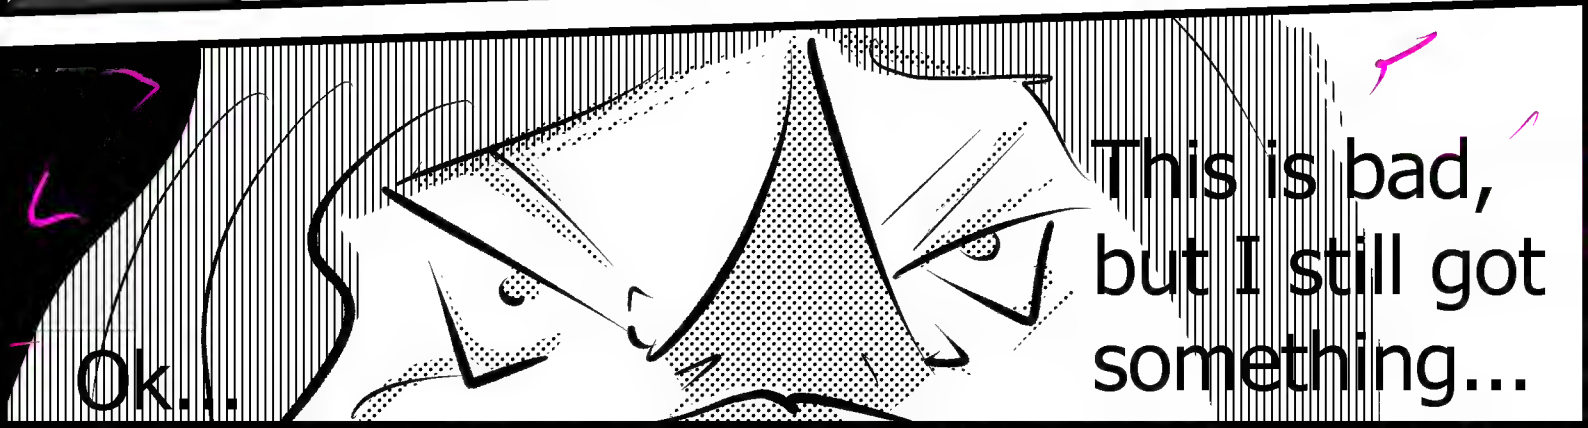

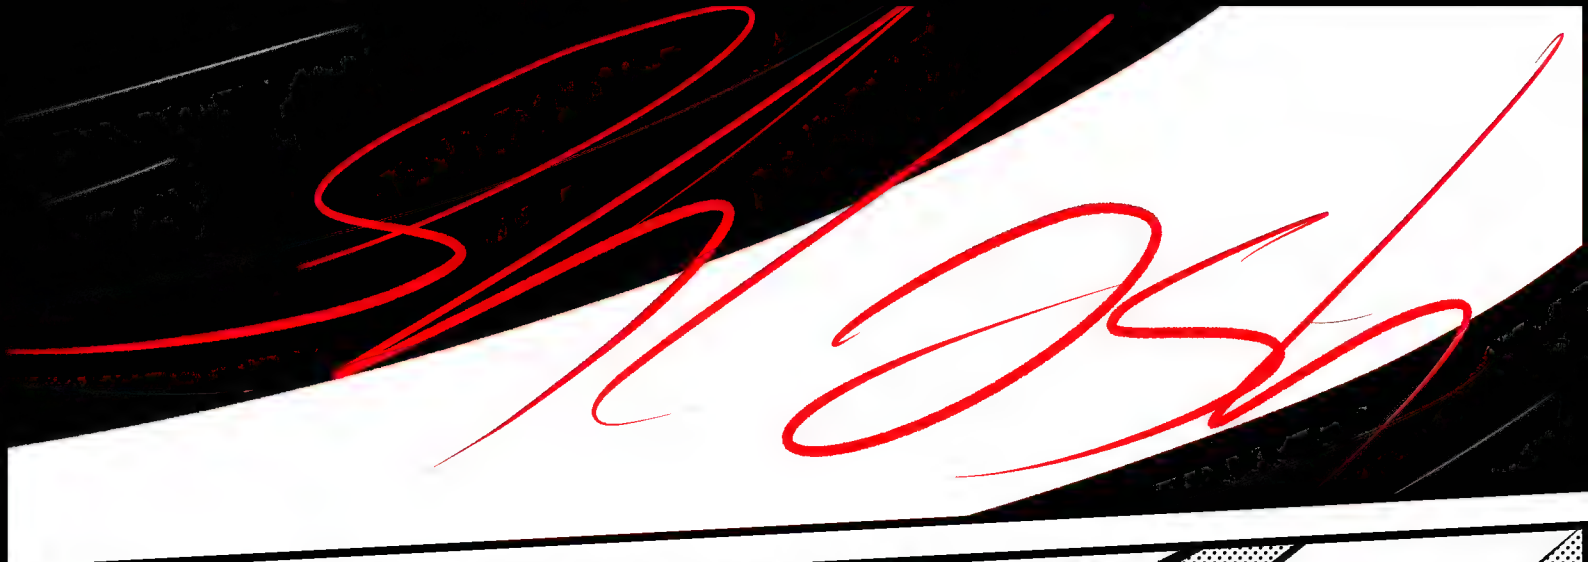

Now  
take...

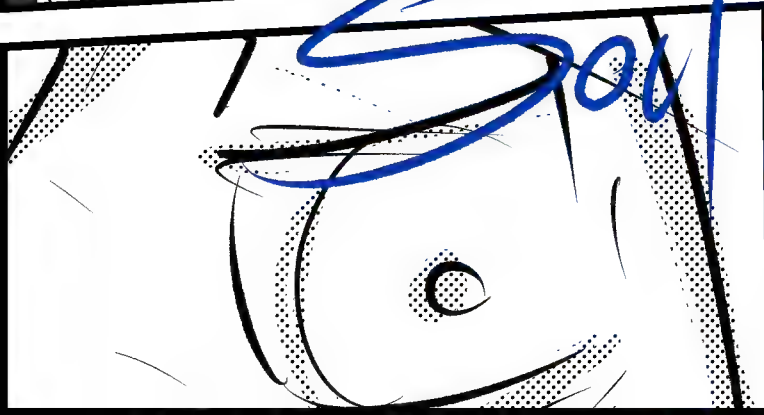

My special  
explosive  
potion!

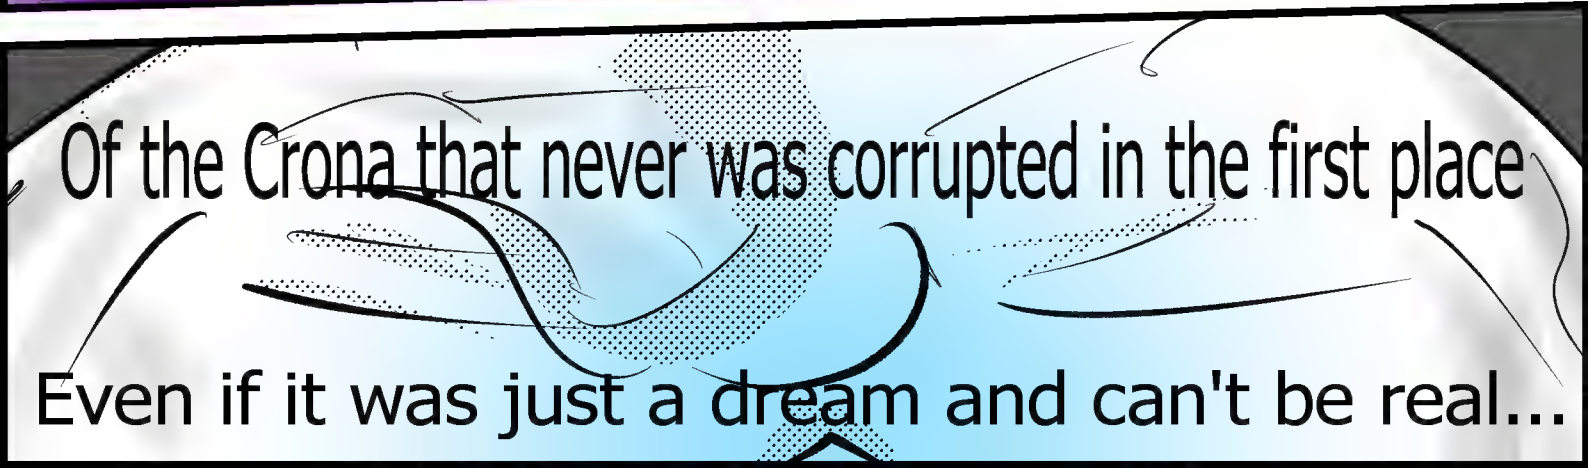

I have to clean my  
wavelength of the madness

Because  
a standard  
witch hunter  
won't be  
enough...

I just have  
to remember  
that feeling

Of the Crona that never was corrupted in the first place

Even if it was just a dream and can't be real...

The side of me,  
that's untouched by  
the witch's curse,

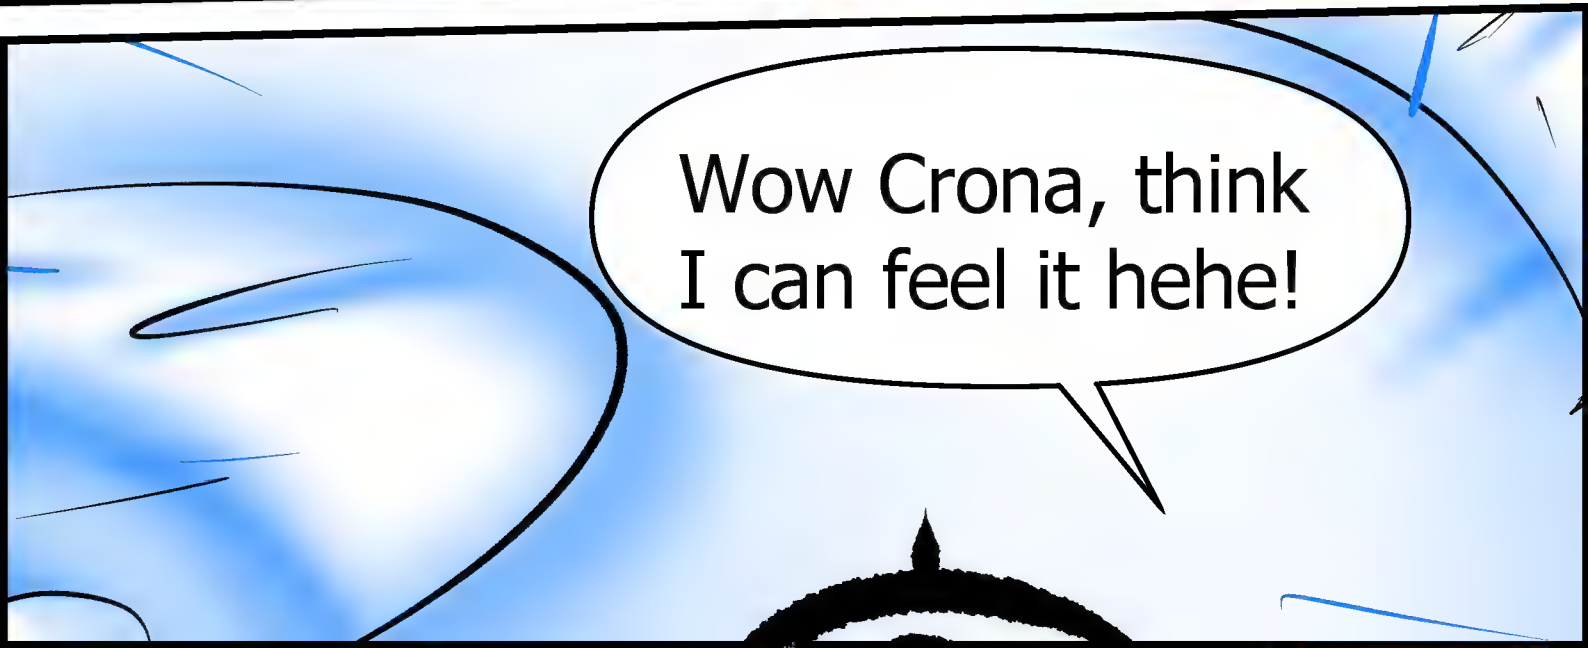

the one that  
Maka saw, that  
mum and dad did

The part that is human

That triumphs  
over the evil  
and my own  
wickedness

Wow Crona, think  
I can feel it hehe!

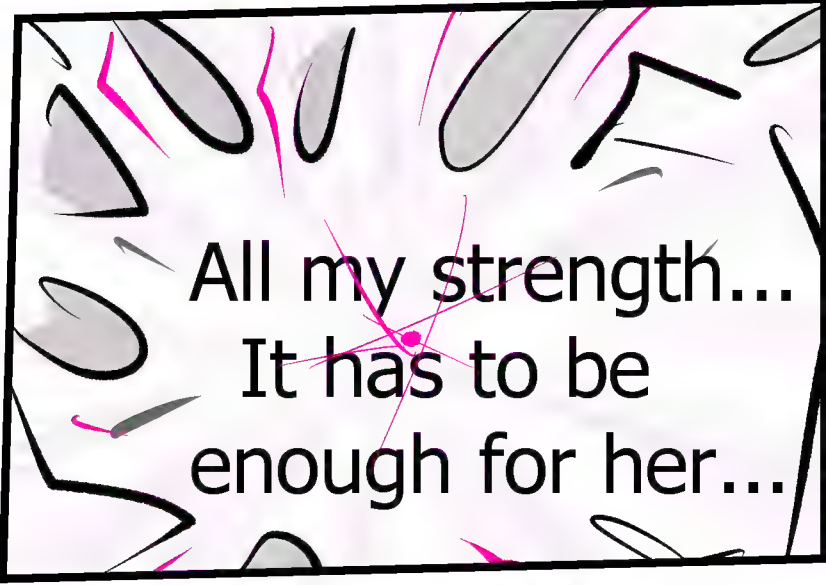

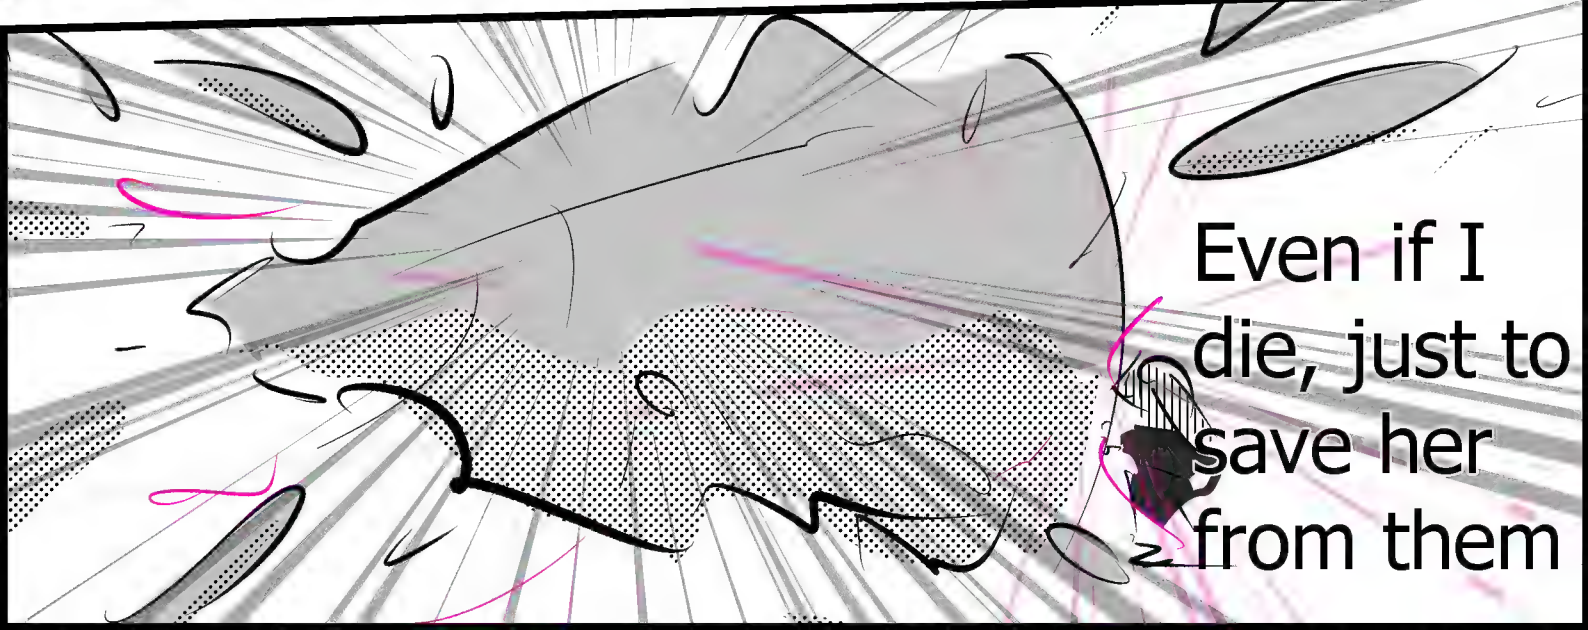

That's what I  
was talking about!

Not good...

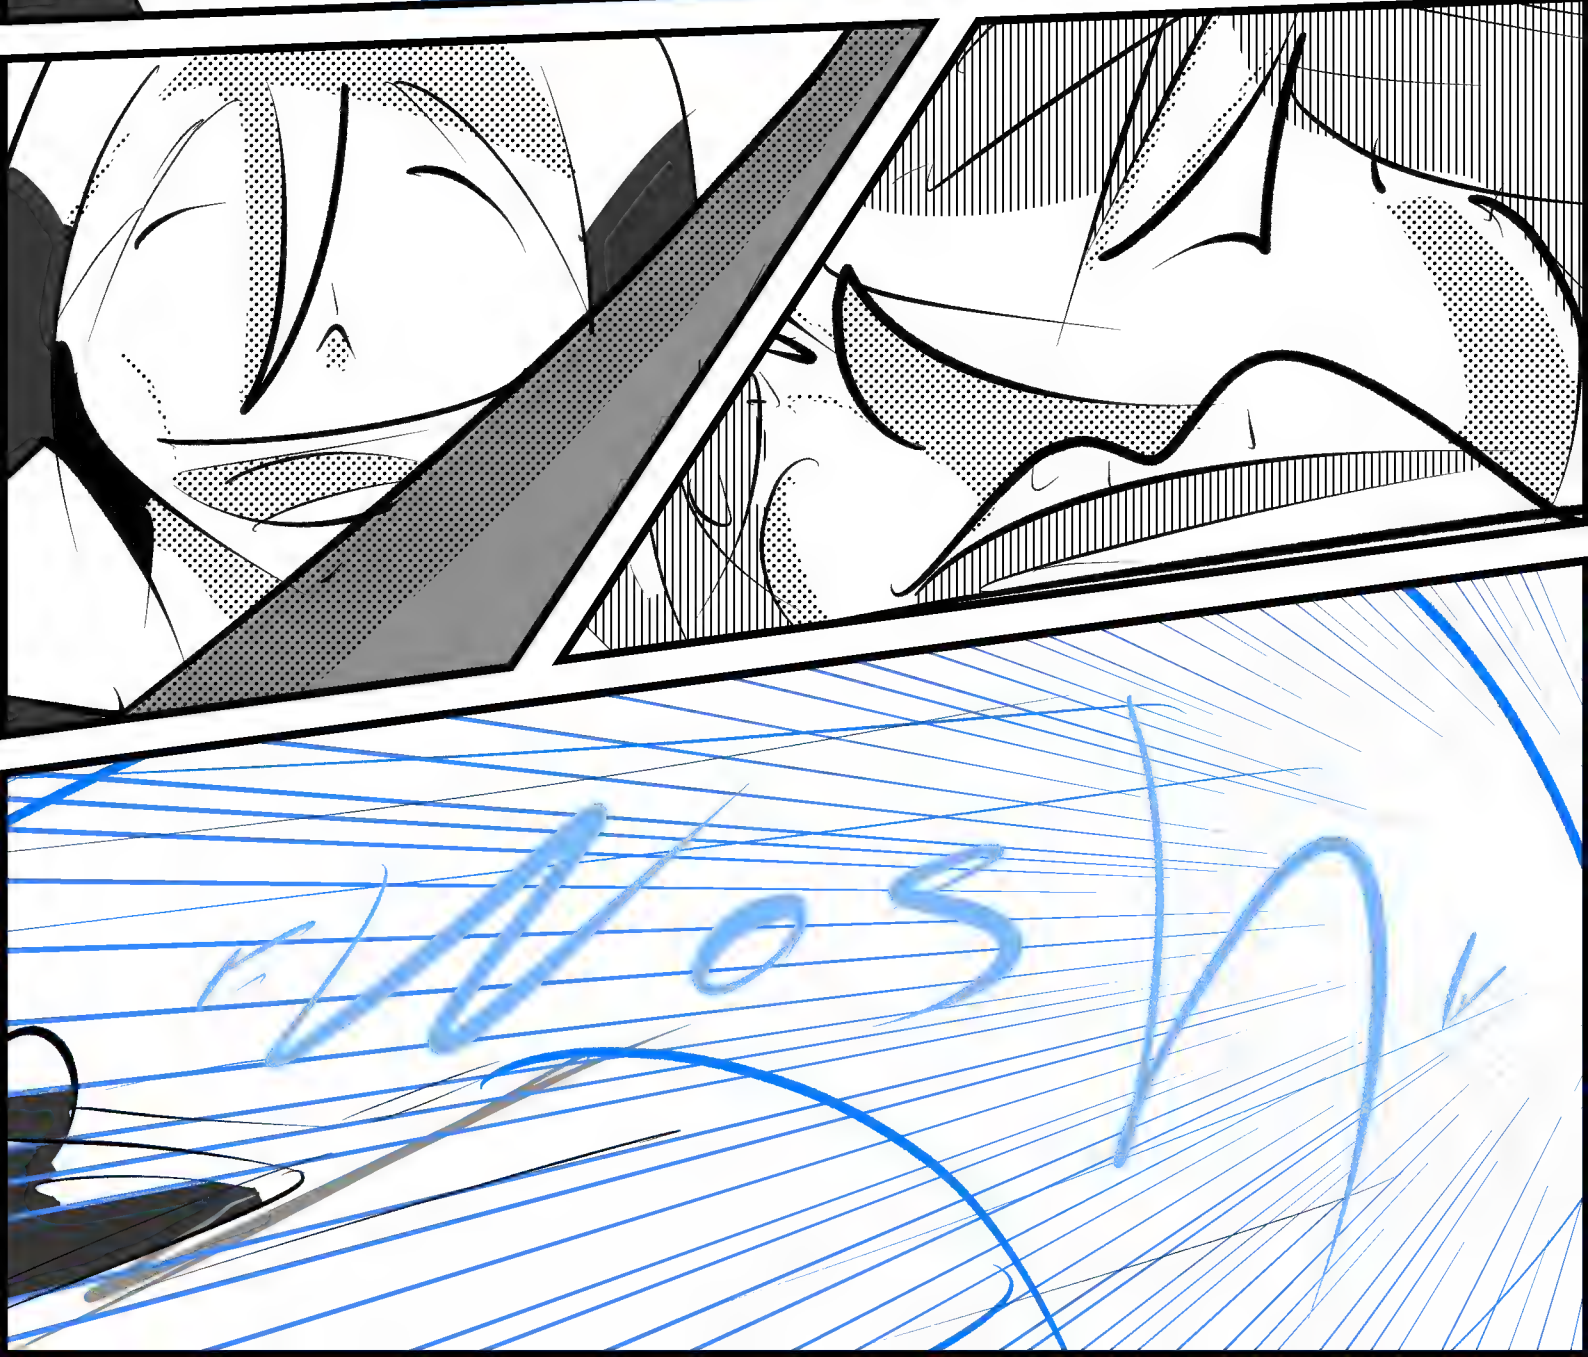

All my strength...  
It has to be  
enough for her...

Even if I  
die, just to  
save her  
from them

for her...

Maka!

Yes

CRACK

Yes

YES!

Cuts smooth as butter...

to kill!  
that WITCH!

Hey, those  
kids' attack  
got weaker  
suddenly!

Just  
sadly

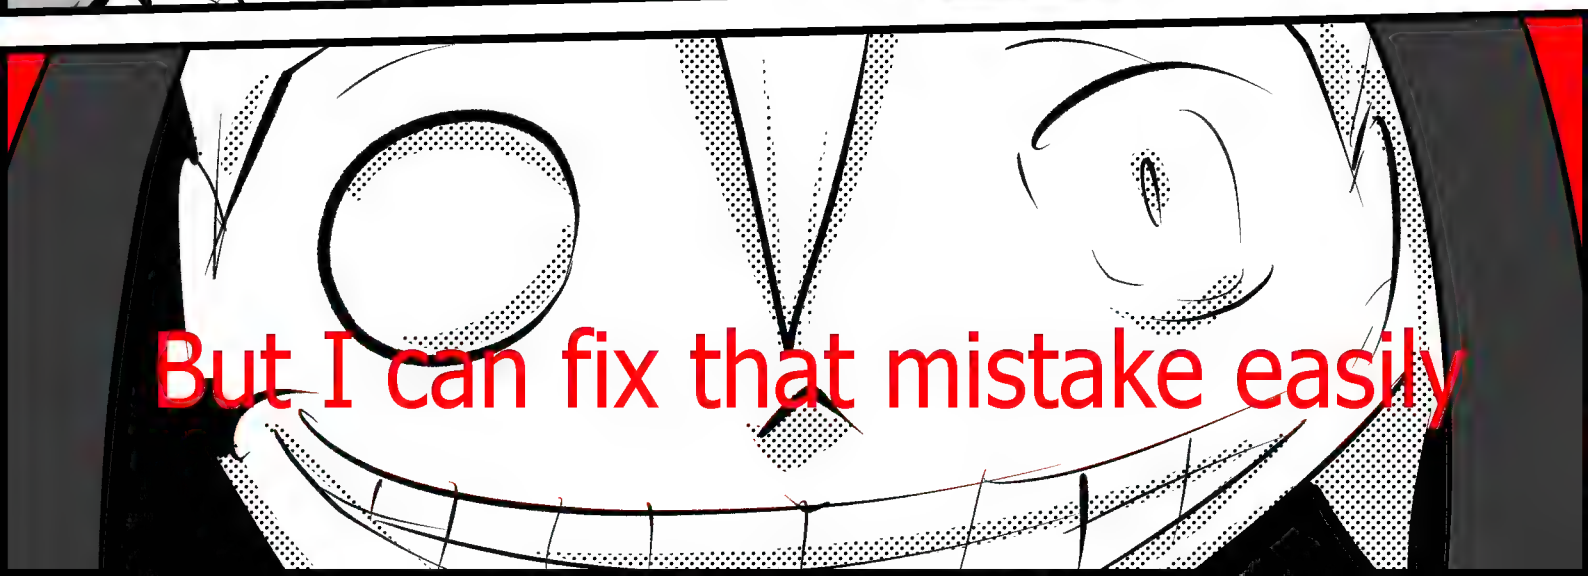

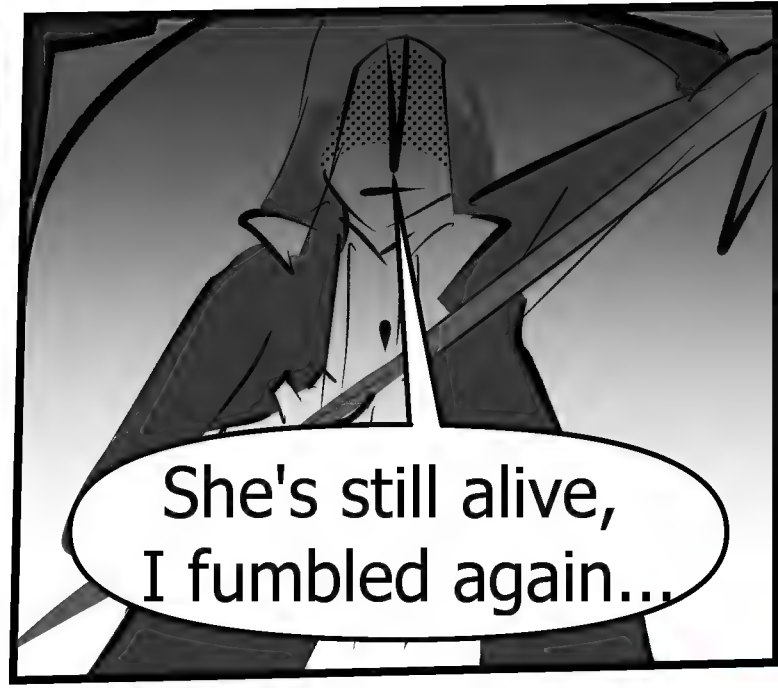

a bit too  
late for me

Well  
at least  
I took

away the  
last of their  
powers, right?

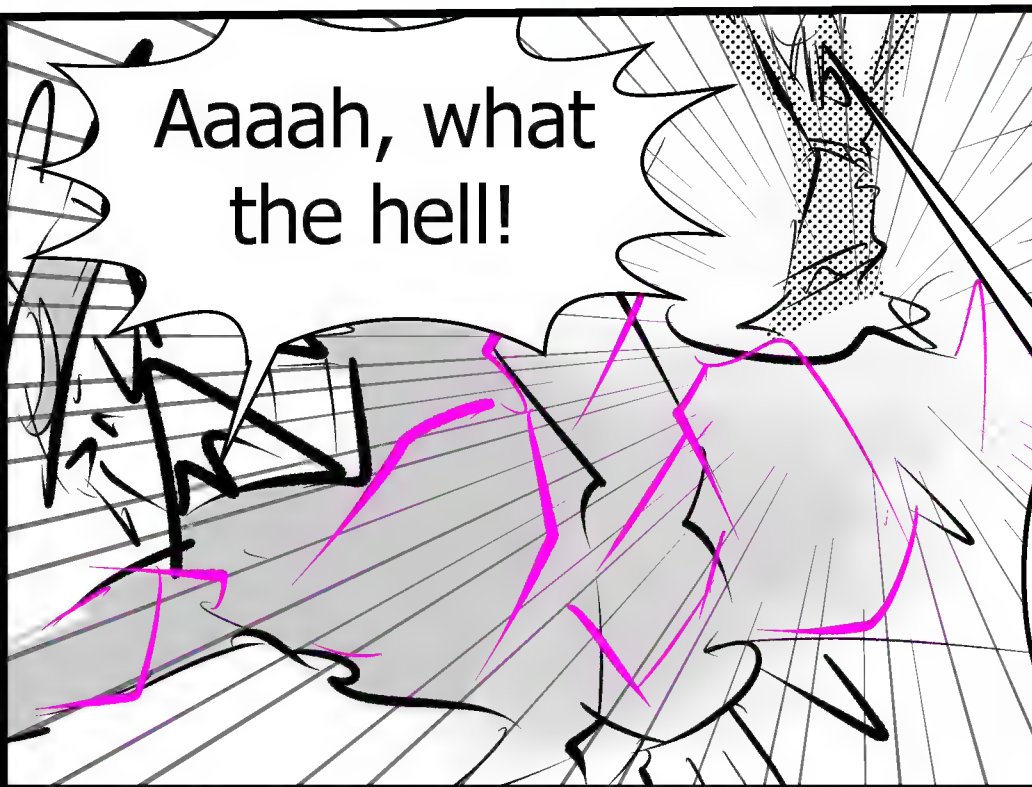

Kara-karaliene-  
Egle!

Wh-

Weapon  
bind!

Aaaah, what  
the hell!

Soul!

Forcefull  
anti-weapon  
activation  
runes!

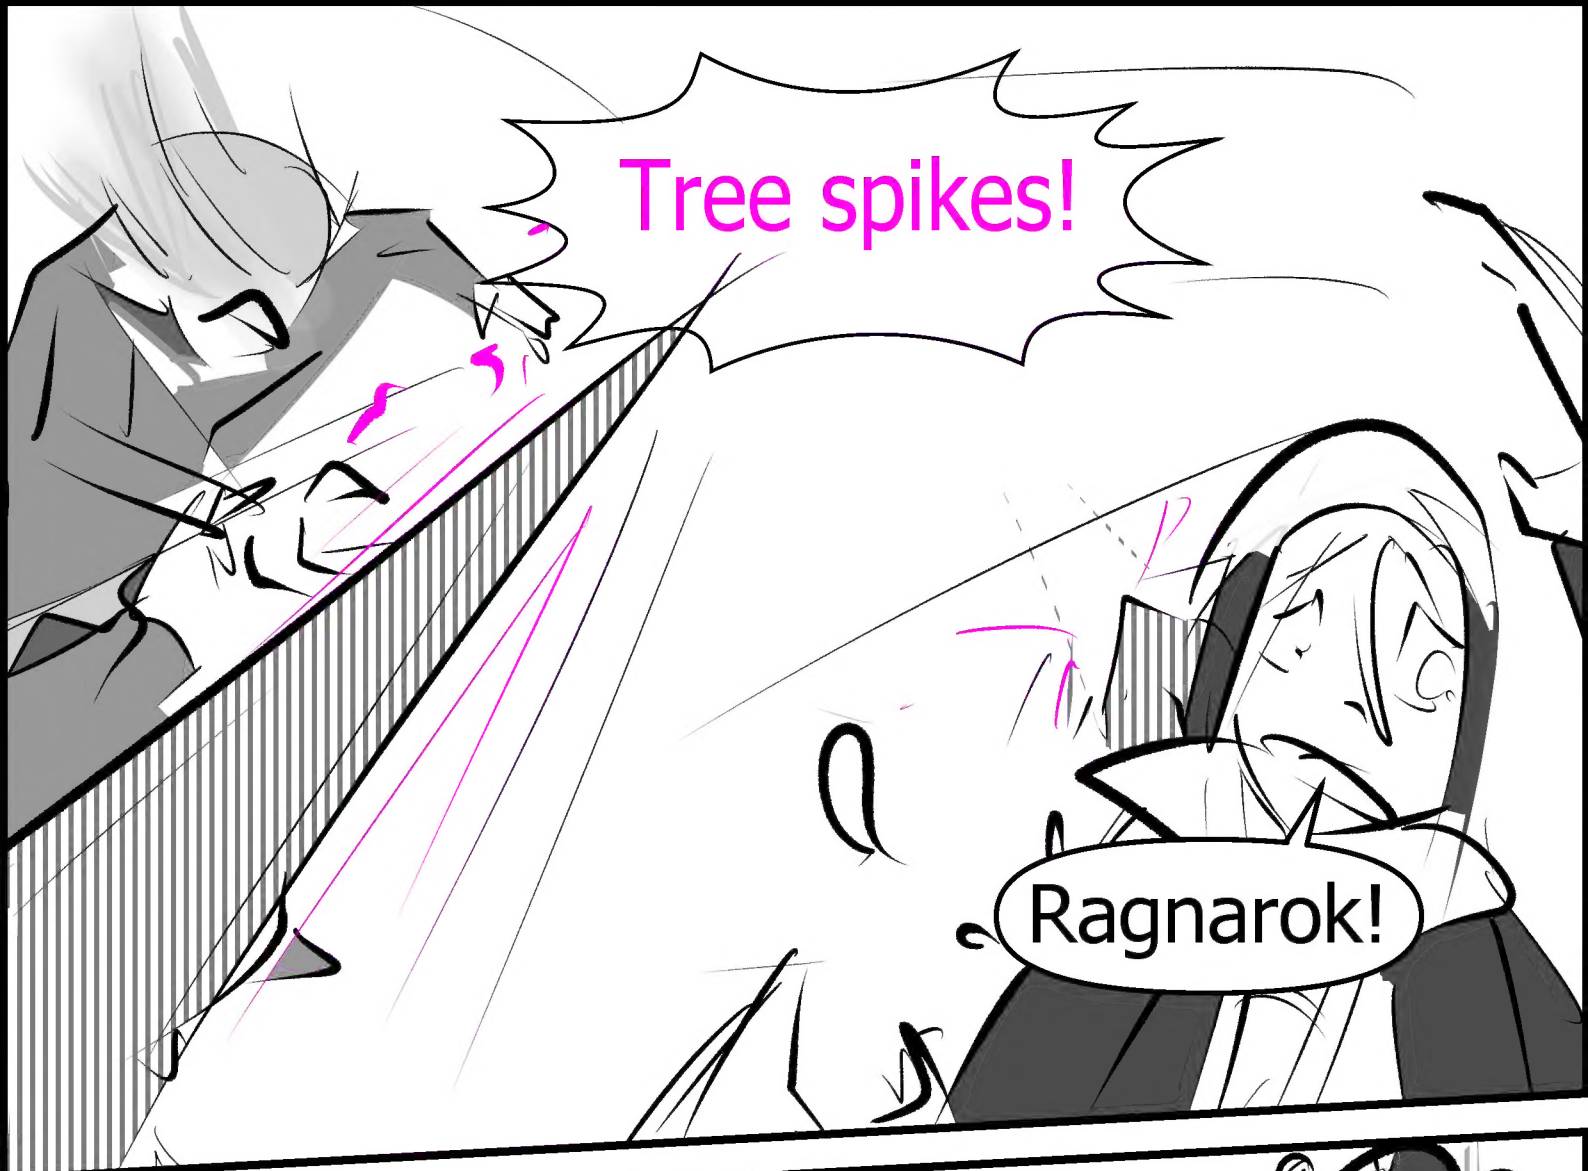

Z-Zalte, run  
away, he's  
to dangerous!

I won't lose  
my mother  
today!

Tree spikes!

Ragnarok!

Ugh.. I-I feel weak a-after that wavelength-

p-please try, this is important!

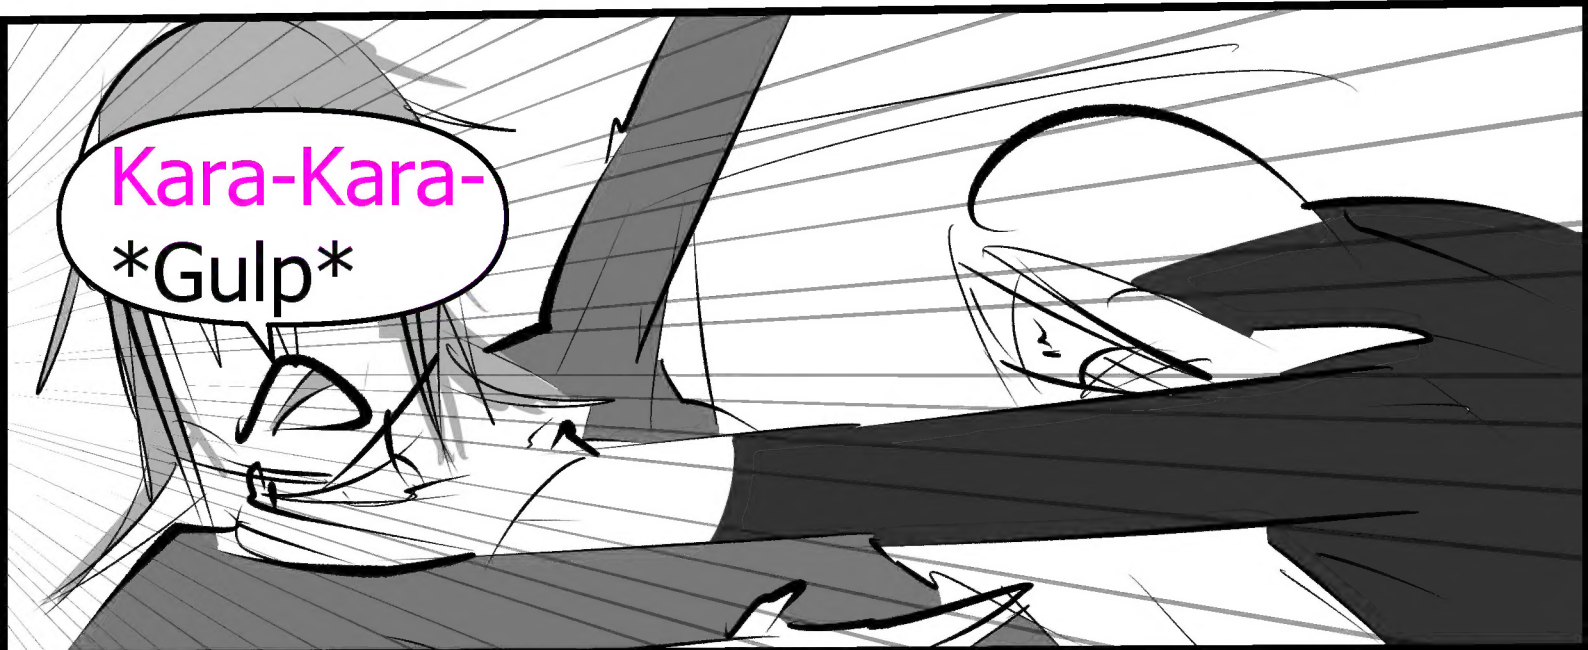

S-sorry bro-

m-maybe later-\*gluck\*

plop

gluck

ALL THE HATE  
AND STRENGTH  
OF MY SOUL

Was it enough?

SAP  
ROOM

FASTEN

CAN'T MOVE

LOST

TRICKED

BY A WITCH

SHE MOCKS ME SHE HATES ME I

HATE HER

I HATE

ME, IT'S BURNING SPITEFUL HOT

BURNING ME UP LIKE SHE DID,

"JUST A WITCHBOY, JUST AS EVIL"

BUT IF I'M JUST A WITCHSPAWN

WHY NOT FIGHT FIRE WITH FIRE
